Re: Urgent Issues in Freight Rail Service—Railroad Reporting
STB Docket No. EP 770 (Sub-No. 1)

Dear Ms. Brown:

Pursuant to the order of the Surface Transportation Board dated May 6, 2022, in the above-captioned proceeding, The Kansas City Southern Railway Company submits its service data report for Week 32. Please note that the data that support lines 19 – 24 (car miles) and 160 – 166 (trip plan compliance) on the spreadsheet has not been updating correctly due to a programming problem and, accordingly, those lines are left blank on this report. KCS will file an updated report when the data error is diagnosed and remedied.

If there are any questions concerning this report, please contact the undersigned.

Sincerely,

DocuSigned by:
