Re: Urgent Issues in Freight Rail Service—Railroad Reporting
STB Docket No. EP 770 (Sub-No. 1)

Dear Ms. Brown:

Pursuant to the order of the Surface Transportation Board dated May 6, 2022, in the above-captioned proceeding, The Kansas City Southern Railway Company submits its service data report for Week 33. KCS data testing indicates that the data that support lines 19 – 24 (car miles) and 160 – 166 (trip plan compliance) on the spreadsheet is now updating correctly, so those lines, along with other required data, have been completed in this report.

If there are any questions concerning this report, please contact the undersigned.

Sincerely,

DocuSigned by:
David C. Reeves
