**SAVAGE TOOEELE RAILROAD COMPANY – CONSTRUCTION AND OPERATION
EXEMPTION – LINE OF RAILROAD IN TOOEELE COUNTY, UTAH**

MOTION FOR EXTENSION OF TIME

Petitioner, Savage Tooele Railroad Company (“STR”), hereby submits this motion for a brief, one week extension of the date for submitting a “verified supplement” to its Petition for Exemption pursuant to the decision served in this proceeding on August 24, 2022. This brief extension is requested to ensure the appropriate personnel at Union Pacific Railroad Company (“UP”) and STR are available to confer and finalize how UP and STR intend to resolve the issue raised by the Decision, which is how STR’s proposed line of railroad will connect – and remain connected – to the national rail network.

Accordingly, STR requests that the date for submittal of its verified supplement be extended to September 20, 2022. The undersigned attorney for STR is authorized to state that UP concurs with this request.

Respectfully submitted,
