Re: Finance Docket No. 36500, *Canadian Pacific Ry. – Control – Kansas City Southern*

Dear Ms. Brown:

As directed in the Board's Decision No. 22 in this proceeding, this letter is to notify you that I wish to appear virtually on behalf of Savage at the September 28-30 hearing on the Canadian Pacific-KCS combination. I look forward to discussing Savage's perspective on the public benefits of the proposed CP/KCS combination. I'll adjust my schedule to ensure that I'm available to speak at your convenience on either the 29th or 30th.

Respectfully submitted,
