Docket No. FD 36500 et al.

Dear Ms. Brown,

RE: Letter of 'Intent to Participate in the Oral Hearings' of September 28, 29, and 30, 2022 regarding Docket No. FD 36500 (The proposed merger between Canadian Pacific Railway Limited (CP) and Kansas City Southern Railway Company (KCS)).

I, Tavengwa Runyowa, formally submit my intention to participate in the above-noted public hearing on Docket No. FD 36500. I am Canadian legal counsel for Ms. Pamela Fraser, Ms. Heather Dockrell, Mr. Edward Dockrell, Ms. Lorelei Desrochers, and Ms. Kaitlyn Timmerman. I intend to appear before the STB in person to discuss how through the merger, CP Railway will subsume KCS' corporate police force, and how the combined CP-KCS Police Service's officers in the United States would fall under the ultimate operational command of a Chief of Police and corporate civilians outside American soil (at the new Global Headquarters in Calgary, Canada).

Specifically, I will discuss how the merger is not in the public interest because it would expand the significant and ongoing threats that CP Railway's current police command structure and law enforcement operations pose to the United States' national security, citizens' privacy, citizens' civil-constitutional rights, sovereignty, police accountability, customs and immigration enforcement, and public/worker safety (including the prejudicial influence of the private policing structure on the safety-related concerns around Precision Scheduled Railroading). As the implications of these issues raise a wide array of potentially serious consequences in the United States, I request 30min for my presentation.

Thank you,

Tavengwa Runyowa
