**NORFOLK SOUTHERN RAILWAY COMPANY'S NOTICE OF INTENT TO
PARTICIPATE IN HEARING**

Pursuant to the Board's Decision No. 22, Norfolk Southern Railway Company ("NS") hereby gives notice of its intent to participate in the public hearing scheduled by the Board for September 28-30, 2022.

NS's speakers will be Claude E. "Ed" Elkins, Executive Vice President and Chief Marketing Officer, Michael R. McClellan, Senior Vice President and Chief Strategy Officer, Professor John Mayo, Elsa Carlson McDonough Chair of Business Administration and Professor of Economics, Business and Public Policy in Georgetown University's McDonough School of Business, and Carrie C. Mahan, NS's counsel. NS's speakers will appear in person.

The presentation by NS's speakers will address: (1) the importance of imposing conditions, including granting NS's Responsive Application for contingent trackage rights, to ensure that the CP-KCS Transaction does not harm the public interest, and (2) why the Board should reject CSX Transportation, Inc.'s unsupported and improper request for conditions relating to the Meridian Speedway joint venture.

To accommodate prior scheduled commitments, NS requests that the Board allocate 1 hour for NS's presentation on Thursday, September 29th, 2022.
