Re: Public Hearing on the Canadian Pacific Railway Acquisition of Kansas City Southern,
Docket No. FD-36500

Chairman Oberman:

I am writing to express my interest in speaking during the Surface Transportation Board's public hearings on September 28, 29, or 30 regarding the acquisition of Kansas City Southern by Canadian Pacific Railway.

I have represented House District 27 in Southeast Texas for nearly 12 years. I know the region well, and I understand the challenges it faces. This merger has significant implications for the health, safety, and well-being of my constituents, and it is of great concern to those of us elected to represent this region.

I recognize that the deadline to file this notice was September 14, and I apologize for the late submission. I was not made aware of these hearings until after the deadline had passed. However, I kindly request that the Board grant me the opportunity to speak on behalf of my community and my colleagues in the Texas House of Representatives when the Board convenes at the end of this month.

If the Board grants this request, I will be able to participate via video conferencing or in-person. Please direct any questions to my chief of staff, Jennifer Brader, at jennifer.brader@house.texas.gov. Thank you for your consideration.

Sincerely,

A handwritten signature in cursive script that reads "Ron Reynolds".
