Re: Docket No. EP 770 (Sub-No. 1), *Urgent Issues in Freight Rail Service—
Railroad Reporting*

Dear Ms. Brown:

The U.S. rail operating subsidiaries of Canadian National Railway Company (collectively, "CN") respectfully submit the reporting data pursuant to the Board's order served on May 6, 2022, in the above-captioned docket.

STB staff provided templates and a technical information document to CN on May 13, 2022, which instructed CN to file the reporting information in CSV format. Because the STB's e-filing system did not support submission of CSV files, CN has been e-filing its reporting data in XLS format and separately e-mailing the data in CSV format. CN commends the Board for its recent modification to the e-filing system to allow submission of CSV files. Consistent with the technical information instructions, CN is providing the enclosed reporting data in CSV format and will now do so on a going forward basis.

Respectfully submitted,

Kathryn J. Gainey
