Re: **Finance Docket No. 36642, Patriot Rail Company LLC, SteelRiver Transport Ventures LLC, Global Diversified Infrastructure Fund (North America) LP, First State Infrastructure Managers (International) Limited, and Mitsubishi UFJ Financial Group Inc.— Control Exemption —Delta Southern Railroad, Inc.**

**Finance Docket No. 36447, Lake Providence Port Comm.— Feeder Line Application—Line of Delta South. R.R. Located in East Carroll and Madison Parishes, LA.**

Dear Ms. Brown:

Patriot Rail Company, Delta Southern Railroad, and Lake Providence Port Commission file this report on their efforts to reach a mutual resolution of issues through meet and confer efforts ordered by the Board. The parties met in person on October 6, 2022, and again by videoconference on October 26, 2022. They were unfortunately not able to reach agreement. It became apparent that the parties' interests are not aligned, and that further conversations would not bridge the gap.

I have been authorized by all parties to state that this joint report is submitted on behalf of all three parties.

Respectfully,

John M. Scheib
