Subject: (External)Harsimus Branch Abandonment (AB 167-1189X) Final Environmental Assessment Notice

Dear Ms. Loichinger:

The Surface Transportation Board (Board) issued a Notice today regarding the Final Environmental Assessment (Final EA) in the Harsimus Branch abandonment case, Docket No. AB 167-1189X. You were copied on the distribution of the Notice to the Consulting Parties, but we wanted to reach out to you directly as well. We wanted to inform you that the Final EA erroneously contained a footnote citing to a January 24, 2020 letter from the Advisory Council. We removed the footnote and the sentence in which it is found, but the Final EA otherwise remains unchanged. The Notice is available on the Board's website [here](#). I am also attaching a copy of the Notice for your information. If you have any questions, please don't hesitate to contact me.
