Dear Chairman Oberman:

I am in receipt of your letter dated December 8, 2022, where you express concern that Union Pacific has failed to file "information and documents" as necessary to address issues raised in the Board's November 22, 2022, order regarding UP's institution of embargoes addressing network congestions. UP did provide the Board information on this matter, and I believe it was responsive.

I, like you, look forward to a productive hearing and exchange of information as the UP team and I have the opportunity to answer your questions.

Sincerely,
