Dear Diana:

This letter is in response to your correspondence to Missouri Governor Michael L. Parson. Thank you for taking the time to contact our office.

Upon review, it appears your correspondence pertains to an issue that falls outside the executive branch of state government. The Office of Governor has no jurisdiction over legal processes, nor does it have any control over Missouri's courts, court staff, attorneys, or judges and their decisions.

Since we cannot offer legal advice or become involved in legal matters, you may wish to contact legal counsel to aid you in this matter. If you require assistance obtaining a suitable attorney, please contact the **Missouri Bar Lawyer Referral Service** at (573) 636-3635 or visit <http://mobar.org/>.

If you cannot afford legal representation, you may wish to contact **Legal Services of Missouri**, which provides legal help to the low-income and disadvantaged in Missouri. Their website is provided by and supported through the efforts of the four legal aid programs in Missouri. Each legal aid program is a separate and independent non-profit 501c3 corporation that receives its primary funding from the Legal Services Corporation (LSC). The four legal aid programs in Missouri include: Legal Services of Eastern Missouri, Legal Aid of Western Missouri, Legal Services of Southern Missouri, and Mid-Missouri Legal Services. More information may be found at: <http://www.lsmo.org/>.

Again, thank you for your correspondence. We hope this information is of help to you.

Sincerely,

A handwritten signature in cursive script that reads "Holly Krieg".
