Date: Monday, January 9, 2023 12:52:55 PM

We have received your submittal for the above referenced federal undertaking. We provide the following response in accordance with Section 106 of the National Historic Preservation Act of 1966 and its implementing regulations 36 CFR 800.

Regarding this project, please see the following comments:

R&C 211100058 - STB - Appanoose - Canadian Pacific Railway Limited, et al. (CP) and Kansas City Southern, et al. (KCS) - CP has filed an application with the STB to acquire KCS, creating the first railroad to connect Canada, the United States, and Mexico. Part of this undertaking will include the construction of new siding and siding extensions at 8 locations in Iowa, within the railroad right-of-way. See attached project notification letter for greater detail, including a discussion of the APE and a link to the project website: <https://www.cp-kcsmergereis.com/>. A .kmz file with the APEs has been uploaded to this submittal.

- SHPO has reviewed the submitted documentation regarding the requested changes to the Iowa Site Inventory Forms (ISIF) and reports. We appreciate the collaboration and quick turn-around by the consultant team. With this documentation, we will be including all ISIFs related to the project in our Inventory.
- The request for corrected ISIFs & related reports were conditions of the no adverse effect. No further information is required.

You will not receive a hard copy of this email. It is the submitter's responsibility to maintain the official file of record. If you have any questions or comments, please feel free to contact our office.
