The parties' obligations under these agreements take effect only if the Surface Transportation Board approves the transaction. The communities have agreed not to seek any other mitigation conditions during this proceeding.

Consistent with Applicants' general voluntary mitigation commitments, the Applicants will continue to engage in good faith with potentially affected communities along the combined network, listen to their input related to the proposed merger and strive to reach negotiated agreements to address merger-related impacts.

As always, we are happy to discuss these issues with you, so please don't hesitate to contact me if you have any questions.

Sincerely,

A handwritten signature in black ink, reading "Kathryn K. Floyd". The signature is written in a cursive, flowing style.
