Per the Surface Transportation Board December 27, 2022 notice regarding vacancies on the Rail Energy Transportation Advisory Committee (RETAC), I am writing to nominate Bob Guy for the labor position.

For a decade, Bob has been a member of the RETAC as an at large member, but I feel he would better serve the RETAC in the labor position. Currently, Bob is the Illinois State Legislative Director for the SMART Transportation Division and has almost 29 years of experience in both labor and rail.

Bob Guy is willing to continue to serve as a member of RETAC and he does agree to serve in a representative capacity.

Sincerely yours,

Greg Hynes
National Legislative Director
