Adam,

I hope all is well. I wanted to follow-up and confirm that you were in receipt of this communication and also touch base with you on the next steps in the process. As referenced in the letter, we do hope for the opportunity to have a stakeholder meeting scheduled in the near future to learn more about the proposed rail line's operations and discuss our concerns.

Thank you for the consideration and please let me know if you need any further information from us.

Regards,
