Dear Dr. Lyons,

As stated in previous Section 106 consultation conducted under the National Historic Preservation Act, the Union Pacific Railroad Company intends to request authority from the Surface Transportation Board (Board) to construct and operate approximately six miles of new rail line in Maricopa County, Arizona (the proposed Pecos Industrial Rail Access and Train Extension [PIRATE] rail line).

With the attached letter, the Board's Office of Environmental Analysis (OEA) is continuing Section 106 consultation with your office and soliciting concurrence on the final Class III survey report, National Register of Historic Places (NRHP) site re-evaluation, a scope change, and a boundary change for AZ U:16:152(ASM).

The final Class III cultural resources survey report has been transmitted to you via File Transfer on behalf of OEA by Jacobs Engineering Group Inc, OEA's third-party contractor. The File Transfer document will be available for 15 days and will expire on December 6, 2022. If you are not able to access the document, or the link expires, please contact Glendda Luhnnow, Jacobs' cultural resources manager, at Glendda.Luhnnow@jacobs.com.

OEA requests your review and concurrence regarding the content of this letter by **Tuesday, December 21, 2022**. Please address any questions electronically to Alan Tabachnick, OEA's Deputy Federal Preservation Officer, at Alan.Tabachnick@stb.gov.

Thank you,
Glendda Luhnnow
