Hi Mary, Maribeth, and Dawn,

Good morning! Thank you for your assistance.

OEA wishes to further discuss the City of Mesa Economic Development Department's 12/13/2022 request for a review time extension specific to UPRR PIRATE Section 106 consultation review and concurrence regarding a project scope change, the adequacy of the final Class III survey report, the NRHP eligibility reevaluation of AZ U:10:69(ASM) and AZ U:10:275(ASM), a boundary change to an NRHP reevaluation of AZ U:10:152(ASM), and the treatment of unsurveyed areas. The purpose of the discussion is for OEA to better understand any concerns the Economic Development Department may have with the review.

Dawn, if you can assist coordinating the meeting schedule with the Economic Development Department and the City's Historic Preservation Office, that would be very helpful. If you can provide proposed dates and times, we can then choose one that meets everyone's schedule.

Thank you for all of your help. It is very much appreciated.
Glennda

On behalf of OEA, thank you for providing your 12/13/2022 request for a review time extension specific to UPRR PIRATE Section 106 consultation review and concurrence regarding a project scope change, the adequacy of the final Class III survey report, the NRHP eligibility reevaluation of AZ U:10:69(ASM) and AZ U:10:275(ASM), a boundary change to an NRHP reevaluation of AZ U:10:152(ASM), and the treatment of unsurveyed areas.
