Enclosure

**BEFORE THE
SURFACE TRANSPORTATION BOARD**

STB Docket No. FD 36281

**PETITION BY THE
SOUTHEASTERN PENNSYLVANIA TRANSPORTATION AUTHORITY
FOR RELIEF UNDER 49 U.S.C. § 24903**

**JOINT UPDATE TO THE BOARD ON STATUS
AND
JOINT MOTION TO CONTINUE HOLDING THE PROCEEDING IN ABEYANCE**

On February 21, 2023, the Board approved the Joint Motion of the Parties to Continue Holding the Proceeding in Abeyance while the Southeastern Pennsylvania Transportation Authority (“SEPTA”) and the National Railroad Passenger Corporation (“Amtrak”) negotiated certain issues in light of the U.S. Court of Appeals for the District of Columbia Circuit’s final decision in *Nat’l R.R. Passenger Corp. v. SEPTA*, Case No. 21-7021. The Board further required the parties to provide an update to the Board within 90 days of February 21, 2023.

Since February 21, 2023, the parties have negotiated in good faith but have been unable to reach a final agreement. However, the parties believe that additional discussions would be fruitful and would like to continue negotiations rather than litigate in this proceeding.

Accordingly, the parties jointly move the Board to continue to hold these proceedings in abeyance for at least another 90 days to allow time for the parties to negotiate in the hope of resolving the outstanding issues without the need for further proceedings before the Board and to direct the parties to provide an update to the Board on the status of negotiations after 90 days, which may include a proposal for continuing the abeyance. The parties believe that this

proposed abeyance is in the interest of justice and administrative efficiency by preserving the rights of the parties while avoiding the unnecessary use of the Board's time and resources.

CONCLUSION

For the foregoing reasons, the parties respectfully request that the Board continue to hold these proceedings in abeyance for an additional 90 days and direct the parties to provide an update to the Board on the status of negotiations by the 91st day.
