Subject: UPRR Pirate Continuing Section 106 Consultation Revised MOA

*** PROCEED WITH CAUTION - This email was sent from outside the Company ***

Good Afternoon Mr. Rice:

As the Surface Transportation Board's (Board) Office of Environmental Analysis (OEA) stated in previous Section 106 consultation conducted under the National Historic Preservation Act, on June 30, 2022, the Union Pacific Railroad Company (UP) filed a petition with the Board requesting authority to construct and operate approximately six miles of new rail line in Maricopa County, Arizona (the proposed Pecos Industrial Rail Access and Train Extension [PIRATE] rail line).

With the attached letter, OEA is continuing Section 106 consultation with your office and soliciting feedback regarding revisions to the draft Memorandum of Agreement (MOA) based upon comments provided during consulting party review. OEA requests your feedback regarding the revisions described in the attached letter by **Friday, March 17, 2023**. Please feel free to contact Alan Tabachnick, OEA's Federal Preservation Officer, at Alan.Tabachnick@stb.gov with any questions about the Section 106 process or the revised MOA.

We appreciate everyone's thorough review of the second draft of the MOA and hope to provide the final MOA for signature in late March.

Sincerely,

Kris Powell, M.A., RPA (she/her) | JACOBS | Senior Archaeologist
