Danielle,

I am writing on behalf of CN to let you know we plan to file next week our response to your August 5, 2022 request for preliminary information in connection with the proposed acquisition of the Kansas City Southern Railway (KCS) rail line between Kansas City, Missouri, and Springfield and East St. Louis, Illinois, by CN (Proposed Divestiture). A few of our expert personnel are out this week.

Relatedly, and apologies if I am repeating any previous conversation you've had with Peter, we are wondering if you might be available on Monday afternoon to discuss OEA's interpretation of the term "truckloads" in Request J. We noticed the terminology in this request differed from others we have reviewed, such as for CP-KCS, and we want to ensure the information we provide to you is responsive and consistent.

We're happy to work with you to find a time that works if Monday is difficult. Thanks so much.

Best,
Brooklyn
