Subject: CN Divestiture - Question on E. St. Louis Yard/Terminal Expansion

Peter/Brooklyn,

I need you to clarify a question I have concerning the proposed expansion of the E. St. Louis Yard/Terminal - referred to as the IM Terminal in your environmental submittals. Is this Yard/Terminal part of the (Sub-No. 3) docket that requests control of KCS's equity interest in the Gateway Eastern Railway Company, or is it included in the (Sub-No. 1) docket as part of KCS's Springfield Line?

Thanks much,
Diana
