Danielle,

Thanks for your email. Do you anticipate that the EA will be released before STB issues a decision on the merger?

Hi Peter,

Apologies for the delay in getting back to you. Unfortunately, I don't have any additional information to share regarding the timing of the EA beyond what Diana and the contractors discussed with you on your monthly call. As Diana mentioned, we are working through the EA chapters and hope to issue the EA as soon as we can.

Thanks,
Danielle
