Dear Surface:

This letter is in response to your recent correspondence to Governor Michael L. Parson. Thank you for sharing your concerns.

As your correspondence deals directly with the Missouri Department of Transportation, we have forwarded your correspondence to the Director's Office. We have asked that they look more closely into your concern and to respond to you in a timely manner.

Again, thank you for your correspondence. If we may be of any further assistance to you, please let us know.

Sincerely,

Constituent Services
