Subject: FW: Review Request - FD36406 Phase I Cultural Resources Report Port Authority of Kansas City - Construction and Operation Exemption - In Jackson and Clay Counties, Missouri

All,

USACE Kansas City District has completed its review of the Surface Transportation Board's Phase I Cultural Resource Report for PortKC's proposed rail line, and the overall site for the conceptual Missouri River Terminal. USACE concurs with the findings of the report. Please see the comments below from Mr. Tim Meade, USACE Kansas City District staff archeologist. If you have any questions or comments regarding this review, please feel free to respond.

Respectfully,

Matt Shively

Hey Matt,

I reviewed the Phase I report. I think it's a good report overall and I have no concerns regarding their methodology or NRHP eligibility determinations. I especially like the geoarcheological assessment of the floodplain in the vicinity of the project they include from Rolfe Mandel out of KU. I plan on keeping a copy for future assessments in the area and recommend you do the same.

If you need anything more formal from me, let me know.

Tim

Hi Tim. Just checking to see if you'd had a chance to consider this request. Surface Transportation Board has indicated a strong desire to stick to the 21 NOV suspense date for comments. We have also allocated funds for the review. Please let me know if you have any questions.

Thanks,

Matt Shively

Subject: FW: Review Request - FD36406 Phase I Cultural Resources Report Port Authority of Kansas City - Construction and Operation Exemption - In Jackson and Clay Counties, Missouri

Tim,

Please see the email below from the Surface Transportation Board, requesting USACE review of a Phase I Cultural Resource Report. The STB is lead Federal Agency for the review of a rail line proposed by PortKC. The rail line would serve a future intermodal freight terminal at a site located at the confluence of the Blue River and the Missouri River. USACE participates in regulatory reviews for the project as a cooperating agency.

As described in the attached memorandum, Regulatory requests PMP-C technical assistance in the review of this document. Please note that the suspense date to provide comments is 21 NOV 2022. If PMP-C requires more time to complete this review, please notify me so that I can coordinate with STB. I have not attached the report itself, due to file size limitations. I will await your direction on how best to get the report to you. If you have any questions, or to arrange file transfer of the report, please reply or contact me at the number below.

Respectfully,

Matt Shively

Subject: [URL Verdict: Neutral][Non-DoD Source] Review Request - FD36406 Phase I Cultural Resources Report Port Authority of Kansas City - Construction and Operation Exemption - In Jackson and Clay Counties, Missouri

Dear Mr. Hibbs and Mr. Shively,

The Surface Transportation Board (STB) Office of Environmental Analysis (OEA), would like to request your review of the Phase I Cultural Resources Report for the Port Authority of Kansas City - Construction and Operation Exemption - In Jackson and Clay Counties, Missouri. The following files are being submitted for review:

- Cover letter transmitting the report (also attached)
- The Phase I Cultural Resources Report
- A blank comment matrix within which you can add comments

As these files are too large to transmit via e-mail, they can be downloaded at the following OneDrive location:

- [FD36406 Port KC Phase I Report USACE](#)
- Password: PortKC_2022

Please note that the above OneDrive link expires after one week on October 28, 2022. If you need additional time to download the report, please e-mail me at Jenna.Wheaton@icf.com and I can provide you an updated link and password to download the files.

Please review the report and provide comments. Comments should be received or postmarked no later than November 21, 2022, which is 30 days after transmittal of the report. If you have any questions, please reach out to Alan Tabachnick, OEA Historic Preservation Specialist, either via email (Alan.Tabachnick@stb.gov) or by phone (202-245-0367).

Thank you,
