Subject: Involvement in the Surface Transportation Board's Harsimus Branch Abandonment Section 106 Process
Date: Thursday, July 6, 2023 12:00:00 PM

Hi. I am reaching out to your organizations to see if you are interested in participating in the Harsimus Branch Abandonment Section 106 process that is currently underway for this case. Our agency is undertaking the NEPA and Section 106 processes for the proposed abandonment of this line, which also is known as the Sixth Street Embankment and the Harsimus Branch Historic District, running from Marin Boulevard to CP Waldo. We have been coordinating with 20+ formal consulting parties over many years, and recently held a Section 106 consulting parties meeting on June 8th, 2023. At that meeting, one of the commentors recommended that we reach out to you to see if you were interested in becoming formal Section 106 consulting parties. If you are interested, please send me a letter requesting formal consulting party status. If you would like more information on the case, or the process to date, or have any questions, please reach out to me.

Thanks very much.

Alan Tabachnick
