**BNSF RAILWAY COMPANY'S
MOTION SEEKING RECOMMENDATION TO ISSUE LETTER ROGATORY**

INTRODUCTION

BNSF Railway Company ("BNSF"), pursuant to 49 U.S.C. § 1321 and 49 C.F.R. § 1113.2, respectfully requests that the Administrative Law Judge assigned to this proceeding issue the attached Recommendation (Appendix A), which recommends that the United States District Court for the District of Columbia issue a Letter Rogatory on behalf of BNSF to obtain documents and deposition testimony from the following foreign third party:

JERA Trading Pte Ltd. ("JERA")¹
Nihonbashi Takashimaya Mitsui Building 25th Floor
2-5-1 Nihonbashi
Chuo-ku, Tokyo
JAPAN

¹ BNSF is also seeking a third-party subpoena to be served domestically on JERA Global Markets, an affiliate of JERA. Given the many steps to seek discovery in Japan and the short discovery schedule, BNSF believes that it cannot wait for JERA Global Markets' response before beginning the lengthy process to contact JERA in Tokyo. In addition, JERA may possess documents and information unavailable to JERA Global Markets.

The Letter Rogatory (Appendix B) seeks the assistance of the appropriate judicial authority in Japan to obtain documents and deposition testimony relevant to these proceedings. In this case, petitioner Navajo Transitional Energy Company, LLC (“NTEC”) has repeatedly cited alleged lost sales and reputational harm in Asia as damages. *See, e.g.*, Compl. ¶ 38. And since NTEC has identified JERA as a former Japanese customer, *see id.* ¶ 9, it is appropriate to seek discovery from JERA into these claims. The information cannot be obtained through other means. JERA has internal information and communications relevant to NTEC’s claims that NTEC would not have had access to or may not have retained. BNSF respectfully requests that the Administrative Law Judge issue the attached recommendation so that BNSF may initiate a brief civil proceeding in the District Court for the District of Columbia’s miscellaneous docket and obtain issuance of the Letter Rogatory.

BNSF has attached to the Letter Rogatory requests for the production of documents, a set of deposition questions, the Protective Order in this matter, the Surface Transportation Board rules, and the Complaint. BNSF will also file with the District Court certified translations of the documents into Japanese.

In support of its Motion, BNSF states the following.

ARGUMENT

I. District courts have the authority to issue Letters Rogatory to the appropriate judicial authorities in Japan.

Japan is not a signatory to the Convention on the Taking of Evidence Abroad in Civil or Commercial Matters (“Hague Evidence Convention”). *See* U.S. State Dep’t, Japan Judicial Assistance Information (Apr. 21, 2023),

<https://travel.state.gov/content/travel/en/legal/Judicial-Assistance-Country-Information/Japan.html> (“State Dep’t Japan Fact Sheet”). Nor are Japanese companies subject to the Surface Transportation Board’s subpoena power. *See* 49 U.S.C. § 1321 (“The Board may subpoena witnesses and records related to a proceeding of the Board from any place in the United States.”).

U.S. parties may nonetheless “use letters rogatory to take evidence from a specific person within the foreign jurisdiction.” *Lantheus Med. Imaging, Inc. v. Zurich Am. Ins. Co.*, 841 F. Supp. 2d 769, 775 (S.D.N.Y. 2012) (citing *Black’s Law Dictionary*). “A letter rogatory is the request by a domestic court to a foreign court to take evidence from a certain witness.” *Intel Corp. v. Advanced Micro Devices, Inc.*, 542 U.S. 241, 248 n.1 (2004). U.S. law authorizes district courts to transmit letters rogatory directly to foreign tribunals or through the U.S. State Department. *See* 28 U.S.C. § 1781. Although the Surface Transportation Board is authorized to *issue* letters rogatory, *see* 28 U.S.C. § 1781, judicial authorities in Japan will not accept letters rogatory issued by administrative agencies.² *See* State Dep’t Japan Fact Sheet.

Accordingly, BNSF’s requested Letter Rogatory is an appropriate tool for it to obtain evidence from JERA, a Japanese company. Other Administrative Law Judges have issued similar recommendations in the past, seeking and obtaining the

² BNSF is also seeking issuance of a Letter Rogatory for Westshore Terminals Ltd. in Canada. Judicial authorities in Canada, however, can process letters rogatory from administrative agencies. Accordingly, the Surface Transportation Board need not recommend a district court issue such a letter to Canada and may do so itself.

assistance of the United States District Court for the District of Columbia to issue Letters Rogatory for foreign courts for use in administrative proceedings. *See, e.g., Broadcom Corp. v. LG Elec., Inc.*, No. 17-mc-1811-JDB, ECF No. 3 (D.D.C. Aug. 15, 2017) (issuing letter rogatory requesting evidence in Taiwan for International Trade Commission proceeding).

II. JERA possesses documents and information that are relevant to these proceedings.

In its Complaint and Petition for Declaratory Order (Apr. 14, 2023) (“Complaint”), Petitioner Navajo Transitional Energy Company, LLC (“NTEC”) claimed damage from “the impact on NTEC’s business reputation when railroad deliveries are inconsistent or non-existent.” Compl. ¶ 38. At the hearing on NTEC’s request for an Emergency Service Order, officials from NTEC vaguely testified regarding the alleged reputational damage it claims:

- “When we traveled to Asia in February, and met with Japanese customers, the whole conversation – the vast majority of the conversation was on train service. We hear you have a train problem.” Hearing Tr. 116:8-17 (May 10, 2023).
- “That was probably the most disconcerting, you know, conversations we had when people would say well you know, this railroad problem exists, but it only exists for you.” *Id.* at 123:16-22.
- “So, the position that BNSF has put all of these shippers in, not just us, but we’re the ones who are here, is that you know, there is a real concern that there will be no way to plan your business, no way to execute that business,

and there will be millions of dollars in revenues lost, irreparable harms to relationships.” *Id.* at 29:22-30:10.

- “Because if they cut our trains and we can’t deliver, we may not get back into that market because we are struggling right now in re-establishing our credibility in that market because of what took place.” *Id.* at 117:5-9.
- “And so this is a conversation we have to have again and again as to why is it that the railroad's performing this way? When is it going to get better? What are you doing to ensure that you can be reliable on the future? So that's impacting every single commercial discussion we're having with our customers in Asia.” *Id.* at 122:22-123:7.

Further, the Board cited the “reputational injuries [NTEC] is suffering” as irreparable harm to support a preliminary injunction in this matter. *See* Surface Transp. Board, Decision at 10, Docket No. NOR 42178 (June 23, 2023).

NTEC has also claimed lost sales. Specifically, NTEC has alleged that “BNSF’s ongoing common carrier service failures have also caused NTEC to lose sales.” Compl. ¶ 54; *see also id.* ¶ 61 (“BNSF’s unreasonable practices also have caused NTEC to lose export coal sales.”).

BNSF must be able to probe NTEC’s claims of reputational damages and lost sales with testimony and documents from the customers that NTEC claims are not willing to do business with it. In its Complaint, NTEC identified JERA as the recipient of “roughly one million tons of coal per year” from NTEC through early 2023. Compl. ¶ 9. Evidence obtained from JERA would shed light on NTEC’s damages

claims, which at the moment are speculative. *See* Hearing Tr. 124 (NTEC witness referring to reputational harm as “highly speculative”). JERA thus possesses information relevant to this case, and witnesses from JERA would be able to testify regarding NTEC’s reputation in Asia and whether its reputation has impacted its ability to conduct business.

III. BNSF’s requested Letter Rogatory complies with the required procedural safeguards.

The U.S. State Department provides guidelines for preparing Letters Rogatory and specific information about requesting judicial assistance from Japan and Canada. *See* U.S. State Dep’t, Preparation of Letters Rogatory, <https://travel.state.gov/content/travel/en/legal/travel-legal-considerations/international-judicial-asst/obtaining-evidence/Preparation-Letters-Rogatory.html>; State Dep’t Japan Fact Sheet. BNSF’s Letter Rogatory complies with the guidelines for seeking documents and testimony.

In particular, the proposed document requests and deposition questions are as specific and targeted as reasonably possible to probe NTEC’s allegations of reputational damage and inadequate service. BNSF has no means of obtaining the information from JERA otherwise. As previously stated, Japan is not a signatory to the Hague Evidence Convention and is not within the Board’s subpoena power.

Finally, BNSF’s pressing need for the requested information outweighs any burden on JERA. The requests are narrowly tailored and straightforward. The existing Protective Order, which will be attached to the Letter Rogatory and apply to evidence from JERA, should alleviate any confidentiality concerns.

CONCLUSION

BNSF respectfully requests that the Administrative Law Judge assigned to this proceeding grant the Motion and issue the attached Recommendation, which BNSF will file with the United States District Court for the District of Columbia.

Respectfully submitted,

DOCKET NO. NOR 42179

NAVAJO TRANSITIONAL ENERGY COMPANY, LLC

v.

BNSF RAILWAY COMPANY

**[Proposed] Recommendation to the United States District Court for the
District of Columbia to Issue Letter Rogatory for International Judicial
Assistance**

The undersigned Administrative Law Judge finds that the evidence that BNSF Railway Company (“BNSF”) seeks pursuant to the Proposed Letter Rogatory is reasonably necessary to investigate fully its defenses to Petitioner Navajo Transitional Energy Company, LLC’s (“NTEC”) claim that BNSF harmed NTEC’s business reputation. Specifically, the requested information from Japan is relevant to NTEC’s allegations that Japanese customers raised concerns about NTEC’s perceived “railroad problems” that affected customers’ willingness to conduct business with NTEC as a result. Thus, the undersigned recommends that the United States District Court for the District of Columbia issue, under its seal and signature, the attached Letter Rogatory to the appropriate judicial authorities in Japan.

A Letter Rogatory is the appropriate method of gathering the necessary requested evidence outside the United States. BNSF must transmit the Letters Rogatory with a District Court Judge’s signature and the District Court’s seal to the

Office of American Citizen Services. The proposed Letter Rogatory solicits international judicial assistance in obtaining relevant information abroad needed in the investigation into alleged reputational harm expressed by Japanese customers.

The undersigned has reviewed the requested Letter Rogatory and finds that it complies with the guidelines set forth by the U.S. Department of State relevant to Letters Rogatory standards generally and Japan specifically. *See* U.S. State Dep't, Preparation of Letters Rogatory, <https://travel.state.gov/content/travel/en/legal/travel-legal-considerations/international-judicial-asst/obtaining-evidence/Preparation-Letters-Rogatory.html>; U.S. State Dep't, Japan Judicial Assistance Information (Apr. 21, 2023), <https://travel.state.gov/content/travel/en/legal/Judicial-Assistance-Country-Information/Japan.html>.

Accordingly, the undersigned respectfully requests the Court to assign a judge to issue the attached Letter Rogatory.

APPENDIX B

UNITED STATES DISTRICT COURT
FOR THE DISTRICT OF COLUMBIA

Misc. Civil Case No.: _____

NAVAJO TRANSITIONAL ENERGY COMPANY, LLC

v.

BNSF RAILWAY COMPANY

REQUEST FOR INTERNATIONAL JUDICIAL ASSISTANCE
(LETTER ROGATORY)

TO THE APPROPRIATE JUDICIAL AUTHORITY OF JAPAN:

The United States District Court for the District of Columbia presents its compliments to the Appropriate Judicial Authority of Japan, and requests international judicial assistance to obtain the production of documents and deposition testimony to be used in an administrative proceeding before this Court in the above-captioned matter.

The Court requests the assistance described herein in the interests of justice.

I. REQUEST

The Court requests that the Appropriate Judicial Authority of Japan facilitate the production of documents from the following corporate entity:

JERA Trading Pte Ltd. (“JERA”)
Nihonbashi Takashimaya Mitsui Building 25th Floor
2-5-1 Nihonbashi
Chuo-ku, Tokyo
JAPAN

Specifically, the Court requests that JERA produce the documents and things set forth in **Attachment A** to this Request. The Court further requests that the Appropriate Judicial Authority of Japan direct JERA to provide testimony as to the topics and questions set forth in **Attachment B** to this Request. With respect to the methods and procedures to be followed in connection with the requested deposition, the Court respectfully requests that, to the extent possible under Japanese law and appropriate treaties:

a) JERA be requested to designate one or more officers, directors, managing agents, or other person(s) who consent to testify on its behalf as to the topics set forth in **Attachment B**;

b) an examination of the witness be conducted orally by a U.S. consular officer on U.S. consular premises;

c) the parties' legal representatives, their interpreters, and a stenographer be permitted to be present during the examination, provided they obtain a Japanese Special Deposition visa; and

d) the stenographer be permitted to record verbatim the examination, and a full transcript of the examination, in translation from Japanese to English through a qualified interpreter, be made at the time of the examination.

The Court understands that the documents and information requested may be of a confidential nature. As such, the Court understands that such documents may be designated under and treated pursuant to the Protective Order entered in this matter, which can be found in **Attachment C**.

Based on the representations made by Petitioner Navajo Transitional Energy Company, LLC (“NTEC”), this Court believes that JERA is in possession of documents and has knowledge regarding material facts that are relevant for the proper defense of the above-referenced administrative proceeding.

II. FACTS

NTEC is an energy company owned by the Navajo Nation. Among other ventures, NTEC operates the Spring Creek Mine in Montana. BNSF is a rail transportation service provider that provides rail service shipping coal for NTEC from the Spring Creek Mine to domestic destinations as well as the Westshore Terminals (“Westshore”) in British Columbia, Canada. From Westshore, the NTEC coal is shipped to markets in Asia, including Japan.

The U.S. Surface Transportation Board (the “Board”) is an independent agency that acts in a quasi-judicial function to adjudicate certain disputes among railroads and their customers. NTEC has alleged in a legal action with the Board that BNSF has breached its common carrier service obligations to NTEC. NTEC has sought, among other relief, an injunction mandating a certain level of rail service that BNSF must provide from Spring Creek Mine to Westshore. The Board instituted proceedings shortly after NTEC filed its Complaint on April 14, 2023. A decision by the Board is subject to review by a United States Court of Appeals. *See* 28 U.S.C. § 2342.

The Board and this Court seek judicial assistance from the Appropriate Judicial Authority of Japan to evaluate certain NTEC allegations regarding its

business reputation in Asia. In particular, NTEC has claimed that, as a result of BNSF's alleged failures to provide adequate rail service, NTEC has experienced damage from "the impact on NTEC's business reputation when railroad deliveries are inconsistent or non-existent." Compl. ¶ 38 (Apr. 14, 2023). Based on information and belief, JERA, as a Japanese customer of NTEC, possesses documents and information unavailable from other sources concerning NTEC's allegations that Asian customers have chosen not to do business with NTEC due to its perceived problems with BNSF's rail service. The request for judicial assistance stems from NTEC's allegation that Japanese customers raised concerns about NTEC's perceived "railroad problems" and chose not to conduct business with NTEC as a result. The requested documents and information regarding dealings with NTEC are narrow and should not present an undue burden on JERA.

III. EVIDENCE

The documents requested to be produced are identified in **Attachment A**. The questions to which JERA's testimony is requested are set forth in **Attachment B**. And the Board-entered Protective Order is contained in **Attachment C**. Finally, the Board's regulations that govern the proceedings (49 C.F.R. Parts 1112-13) are reproduced in **Attachment D**.

IV. URGENCY

A response is requested as soon as practicable. Expeditious treatment of this request will allow the parties and the witnesses to arrange a mutually agreeable date for testimony and avoid disruption of the witnesses' business or personal plans.

V. OFFER OF RECIPROCAL ASSISTANCE

The United States District Court for the District of Columbia is willing to provide similar assistance to the Appropriate Judicial Authority of Japan.

VI. REIMBURSEMENT FOR COSTS

BNSF's counsel is willing to reimburse the Appropriate Judicial Authority of Japan for costs and expenses incurred in executing this Letter Rogatory. BNSF's counsel may be contacted at the following address:

§ 1112.1 When modified procedure is used.

The Board may decide that a proceeding be heard under modified procedure when it appears that substantially all material issues of fact can be resolved through submission of written statements, and efficient disposition of the proceeding can be accomplished without oral testimony. Modified procedure may be ordered on the Board's initiative, or upon approval of a request by any party.

[47 FR 49558, Nov. 1, 1982, as amended at 61 FR 52712, Oct. 8, 1996]

§ 1112.2 Decisions directing modified procedure.

A decision directing that modified procedure be used will set out the schedule for filing verified statements by all parties and will list the names and addresses of all persons who at that time are on the service list in the

Surface Transportation Board

§ 1112.10

proceeding. In this part, a statement responding to an opening statement is referred to as a “reply”, and a statement responding to a reply is referred to as a “rebuttal”. Replies to rebuttal material are not permitted. The filing of motions or other pleadings will not automatically stay or delay the established procedural schedule. Parties will adhere to this schedule unless the Board issues an order modifying the schedule.

[47 FR 49558, Nov. 1, 1982, as amended at 61 FR 58491, Nov. 15, 1996]

§ 1112.3 Default for failure to comply with schedule; effect of default.

If a party fails to comply with the schedule for submission of verified statements, or any other requirements established by the modified procedure decision, that party will be deemed to be in default and to have waived any further participation in the proceeding. Thereafter, the proceeding may be disposed of without notice to and without participation by parties in default.

§ 1112.4 Petitions to intervene.

(a) The Board may grant a petition to intervene in a proceeding set for modified procedure if intervention:

(1) Will not unduly disrupt the schedule for filing verified statements, except for good cause shown; and

(2) Would not unduly broaden the issues raised in the proceeding.

(b) The petition to intervene shall set out:

(1) The petitioner’s interest in the proceeding;

(2) Whether the petitioner supports or opposes the relief sought or the action proposed or is otherwise concerned with the issues presented in the proceeding; and

(3) The petitioner’s request, if any, for relief.

[47 FR 49558, Nov. 1, 1982, as amended at 61 FR 52712, Oct. 8, 1996]

§ 1112.5 Joint pleadings.

Parties with common interests are encouraged to prepare joint pleadings whenever possible.

§ 1112.6 Verified statements; contents.

A verified statement should contain all the facts upon which the witness relies, and to the extent that it contains arguments, they should be based only on those facts. Parties filing reply and rebuttal verified statements will be considered to have admitted the truth of material allegations of fact contained in their opponents’ statements unless those allegations are specifically challenged. Rebuttal statements shall be confined to issues raised in the reply statements to which they are directed.

§ 1112.7 Records in other Board proceedings.

If any portion of the record before the Board in any proceeding other than the proceeding at issue is offered in evidence, a true copy should be presented for the record.

[47 FR 49558, Nov. 1, 1982, as amended at 61 FR 52712, Oct. 8, 1996]

§ 1112.8 Verification.

The original of any pleading filed must show the signature, capacity, and seal, if any, of the person administering the oath, and the date thereof.

§ 1112.9 Sample verification for statement of fact under modified procedure.

§ 1112.10 Requests for oral hearings and cross examination.

(a) *Requests.* Requests for oral hearings in matters originally assigned for handling under modified procedure must include the reasons why the matter cannot be properly resolved under modified procedure. Requests for cross examination of witnesses must include the name of the witness and the subject matter of the desired cross examination.

§ 1112.11

(b) *Disposition*. Unless material facts are in dispute, oral hearings will not be held. If held, oral hearings will normally be confined to material issues upon which the parties disagree. The decision setting a matter for oral hearing will define the scope of the hearing.

§ 1112.11 Authority of officers.

Except to the extent that they apply only to the conduct of a public hearing, the officer assigned to handle a proceeding under the modified procedure shall have the same authority as officers assigned to conduct oral hearings as described in § 1113.3(a) and (b).

§ 1113.1 Scheduling hearings; continued hearings.

(a) *Assignment; service and posting of notice*. In those proceedings in which an oral hearing is to be held, the Board will assign a time and place for hearing. Notice of hearings will be posted on the Board's Web site, will be served upon the parties and such other persons as may be entitled to receive notice under the Act, and will be avail-

49 CFR Ch. X (10–1–22 Edition)

able for inspection at the Board's office.

(b) *Requests for changes in assignment*. Requests for postponements of date of hearing will be granted only in exceptional circumstances.

(c) *Continuances*. (1) A continuance may be granted at the discretion of the presiding officer.

(2) If the presiding officer announces the time and place of a continued hearing on the record, no further notice need be given.

[47 FR 49559, Nov. 1, 1982, as amended at 61 FR 52712, Oct. 8, 1996; 74 FR 52907, Oct. 15, 2009]

§ 1113.2 Subpoenas.

(a) *Issuance*. A subpoena may be issued upon the direction of the Board on its own motion or upon request. A subpoena may be issued by the Board or by the officer presiding at a hearing and must be signed by the Director of the Office of Proceedings or a member of the Board.

(b) *Requests*. (1) A request for a subpoena to compel the appearance of a person at a hearing to give oral testimony, but not to produce documents, may be made either by letter (only the original need be filed with the Board) or orally upon the record at the hearing. A showing of general relevance and reasonable scope of the evidence sought to be introduced through the subpoenaed person may be required.

(2) A request for a subpoena to compel a witness to produce documentary evidence should be made in writing by petition. The petition should specify with particularity the books, papers, or documents desired and facts expected to be proved, and should show the general relevance and reasonable scope of the evidence sought. The officer presiding at a hearing may grant a request for such a subpoena made orally upon the record.

(c) *Service*. The original subpoena should be exhibited to the person served, should be read to him if he is unable to read, and a copy should be delivered to him by the officer or person making service.

(d) *Return*. If service of subpoena is made by a United States marshal or his deputy, service should be evidenced by his return of the subpoena. If made by

Surface Transportation Board

§ 1113.3

any other person, such person shall make an affidavit stating the date, time and manner of service; and return such affidavit on, or with, the original subpoena in accordance with the form thereon. In case of failure to make service the reasons for the failure should be stated on the original subpoena. The written acceptance of service of a subpoena by the person subpoenaed will be sufficient without other evidence of return. The original subpoena bearing or accompanied by the required return, affidavit, statement, or acceptance of service, should be returned forthwith to the Chief, Section of Administration, Office of Proceedings, unless otherwise directed.

(e) *Witness fees.* A witness who is summoned and responds to the summons is entitled to the same fee as is paid for like service in the courts of the United States. Such fee is to be paid by the party at whose insistence the testimony is taken at the time the subpoena is served, except that when the subpoena is issued on behalf of the United States or an officer or agency thereof, fees and mileage need not be tendered at the time of service.

[47 FR 49559, Nov. 1, 1982, as amended at 61 FR 52712, Oct. 8, 1996; 74 FR 52907, Oct. 15, 2009; 81 FR 8854, Feb. 23, 2016]

§ 1113.3 Authority of officers.

(a) *General.* (1) The presiding officer has the authority to regulate the procedure in the hearing before him, and has authority to take all measures necessary or proper for the efficient performance of the duties assigned him. These include authority: (i) To hold hearings; (ii) to administer oaths and affirmations; (iii) to grant intervention; (iv) to accept any pleading; (v) to establish special rules of procedure appropriate to the effective handling of the particular proceeding; (vi) to examine witnesses; (vii) to issue subpoenas at the hearing; (viii) to dispose of requests for discovery; (ix) to hold conferences for the settlement and simplification of issues; (x) to rule on motions and dispose of procedural requests; (xi) to make initial decisions; (xii) to exclude any person from the hearing for contemptuous conduct; and (xiii) to take any other action authorized by this part, by the Administra-

tive Procedure Act, or by the Interstate Commerce Act and related acts.

(2) The presiding officer has the authority: (i) To terminate examination or cross-examination of repetitious or cumulative nature; (ii) to limit direct examination to material matters; (iii) to limit cross-examination to disputed material facts; (iv) to require that principal examination or cross-examination be conducted by one or more counsel representing similar interests in proceedings where several parties are involved; (v) to set reasonable schedules for the presentation of witnesses; (vi) and to set reasonable time limits for the examination or cross-examination of witnesses. In order to enforce this paragraph, the officer may require a clear statement on the record of the nature of the testimony to be given by any witness.

(b) *Motions to dismiss; amendments.* (1) The presiding officer shall have power to decide any motion to dismiss the proceeding or other motion which involves final determination of the merits of the proceeding.

(2) The presiding officer may grant leave to amend any application or complaint.

(c) *Preparation of the decision by the prevailing party.* Any proceeding in which an oral hearing is held and in which the officer is able to announce his decision either:

(1) On the record after the close of the taking of testimony and the hearing of arguments by the officer, or

(2) By appropriate notification to the parties after the close of the hearing, may be made the subject of an initial decision prepared by a party or parties in whose favor the officer decides, within a period specified by the officer, and subject to such changes as the officer considers appropriate in the draft prepared for him.

(d) *Recording; media coverage.* The presiding officer shall have authority to permit or to refuse to permit the recording of the hearing by means of live or delayed television or radio broadcast, or the use of a tape recorder or

§ 1113.4

other electronic or photographic equipment by any person other than the official reporter.

[47 FR 49559, Nov. 1, 1982, as amended at 61 FR 52712, Oct. 8, 1996; 81 FR 8854, Feb. 23, 2016]

§ 1113.4 Prehearing conferences.

(a) *Purposes.* Upon written notice by the Board in any proceeding, or upon written or oral instruction of an officer, parties or their representatives may be directed to appear before an officer at a specified time and place for a conference, prior to or during the course of a hearing, or in lieu of personally appearing, to submit suggestions in writing, for the purpose of formulating issues and considering:

- (1) The simplification of issues;
- (2) The necessity or desirability of amending the pleadings either for the purpose of clarification, amplification, or limitation;
- (3) The possibility of making admissions of certain averments of fact or stipulations concerning the use by any or all parties of matters of public record, such as annual reports and the like, to avoid the unnecessary introduction of proof;
- (4) The procedure at the hearing;
- (5) The limitation of the number of witnesses;
- (6) The propriety of prior mutual exchange between or among the parties of prepared testimony and exhibits; and
- (7) Such other matters, including disposition of requests for discovery, as may aid in the simplification of the evidence and disposition of the proceeding. Parties may request a prehearing conference.

(b) *Facts disclosed privileged.* Facts disclosed in the course of the prehearing conference are privileged and, except by agreement, will not be used against participating parties either before the Board or elsewhere unless fully corroborated by other evidence.

(c) *Recordation and decision.* Action taken at the conference, including a recitation of the amendments allowed to the pleadings, the agreements made by the parties as to any of the matters considered, and defining the issues, will be recorded in an appropriate decision unless the parties enter into a written

49 CFR Ch. X (10–1–22 Edition)

stipulation as to such matters, or agree to a statement thereof made on the record by the officer.

(d) *Objection to the decision; subsequent proceedings.* If a decision is entered, the parties may, within 20 days of the date of service, or within such lesser time as is set by the officer, present objections on the grounds that the decision does not fully or correctly embody the agreements reached at the conference. Thereafter the terms of the written stipulation or statement of the officer, as the case may be, will determine the subsequent course of the proceedings, unless modified to prevent manifest injustice.

[47 FR 49559, Nov. 1, 1982, as amended at 61 FR 52712, Oct. 8, 1996]

§ 1113.5 Stipulations.

Apart from the procedure contemplated by the prehearing provisions, the parties may, by stipulation in writing filed with the Board at any stage of the proceeding, or orally made at the hearing, agree upon any pertinent facts in the proceeding. The parties should agree to facts in this manner whenever practicable.

[47 FR 49559, Nov. 1, 1982, as amended at 61 FR 52712, Oct. 8, 1996]

§ 1113.6 Appearances; withdrawal or absence from hearing.

(a) *Who may appear.* Any individual may appear for himself. Any member of a partnership which is a party to any proceeding may appear for such partnerships upon adequate identification. A bona fide officer or a full-time employee of a corporation, association, or of an individual may appear for such corporation, association, or individual by permission of the officer presiding at the hearing. A party also may be represented by a practitioner.

(b) *Withdrawal or absence from hearing.* A practitioner who has entered his appearance at the hearing shall not be permitted to withdraw from the hearing, or willfully be absent therefrom, except for good cause and, wherever practicable, only with the permission of the presiding officer. If a person who has entered an appearance withdraws from the hearing in a manner other than that specified, the Board or the

Surface Transportation Board

§ 1113.9

Officer may take such action as, in the interest of justice and the protection of the lawful rights of all parties to the proceeding, the circumstances of the case may warrant, including the striking out of all or any part of any pleading of the offending party, and including the possible dismissal of the action or proceeding, or any part thereof, the entry of an order of default against that party, or if the withdrawal is without the permission of the presiding officer, disciplining of the practitioner concerned.

[47 FR 49559, Nov. 1, 1982, as amended at 61 FR 52712, Oct. 8, 1996]

§ 1113.7 Intervention; petitions.

(a) *How requested.* Intervention will normally be granted only upon petition. In exceptional circumstances, where the issues would not be broadened or the proceeding delayed, an officer may, at his or her discretion, allow intervention upon motion made orally at the hearing.

(b) *Content generally.* A petition for leave to intervene must set forth the grounds for the proposed intervention, the position and interest of the petitioner in the proceeding, and whether petitioner's position is in support of or in opposition to the relief sought. If the proceeding is by formal complaint and affirmative relief is sought by petitioner, the petition should conform to the requirements for a formal complaint.

(c) *When filed.* A petition for leave to intervene in any proceeding should be filed prior to or at the time the proceeding is called for hearing, but not after, except for good cause shown.

(d) *Broadening issues; filing.* If the petition seeks a broadening of the issues and shows that they would not thereby be unduly broadened, and in respect thereof seeks affirmative relief, the petition should be filed in time to permit service upon and answer by the parties in advance of the hearing.

(e) *Copies; service; replies.* When a petition for leave to intervene is tendered at the hearing, sufficient copies of the petition must be provided for distribution to the parties represented at the hearing. When a petition for leave to intervene is not tendered at the hearing, the petition should be submitted

to the Board together with a certificate that service has been made by petitioner. Any reply in opposition to a petition for leave to intervene not tendered at the hearing must be filed within 20 days after service of the petition to intervene. At the discretion of the Board, leave to intervene may be granted or denied before the expiration of the time allowed for replies.

(f) *Disposition.* Leave to intervene will be granted only when the petitioner addresses issues reasonably pertinent to the issues already presented and which do not unduly broaden them. If leave is granted the petitioner becomes an intervenor and a party to the proceeding.

[47 FR 49559, Nov. 1, 1982, as amended at 53 FR 19301, May 27, 1988; 61 FR 52712, Oct. 8, 1996; 84 FR 12944, Apr. 3, 2019]

§ 1113.8 Witness examination; order of procedure.

Witnesses will be orally examined under oath before the officer unless the facts are presented to the Board in the manner provided under modified procedure. In formal complaint, application, and investigation proceedings, complainant, applicant, and respondent, respectively, shall open and close at the hearing. In the event of further hearings granted on petition, the petitioners requesting further hearing shall open and close the proceeding. Instances exist in which parties other than the respondent may open and close in investigations where the burden of proof is not upon the respondent. Intervenor shall follow the party on whose behalf the intervention is made. The foregoing order of presentation may be varied by the officer.

[47 FR 49559, Nov. 1, 1982, as amended at 61 FR 52712, Oct. 8, 1996; 81 FR 8854, Feb. 23, 2016]

§ 1113.9 Prepared statements.

With the approval of the officer, a witness may read into the record, as his testimony, statements of fact or expressions of opinion prepared by the witness, or written answers to interrogatories of counsel. A prepared statement of a witness who is present at the hearing may be received as an exhibit, provided that the statement does not include argument. Before any such

§ 1113.10

statement is read or admitted in evidence, the witness shall deliver to the officer, the reporter, and to opposing counsel, as may be directed by the officer, a copy of such statement or of such interrogatories and the written answers thereto. The admissibility of the evidence contained in such statement will be subject to the same rules as if such testimony was produced orally, including the right of cross-examination of the witness. The officer may require that the witness testify orally if, in the officer's opinion, the memory or demeanor of the witness may be of importance.

§ 1113.10 Records in other Board proceedings.

A portion of the record before the Board in another proceeding may be offered in evidence at an oral hearing. A party making such an offer must provide, as an exhibit, a certified copy of the material sought to be introduced. A hearing officer may waive the requirement that a copy be provided, subject to such conditions as he or she may impose to assure that a copy will be available later, if needed, at no expense to the Board and to assure that the interests of other parties are not prejudiced. An offer of evidence under this section will be subject to objection by other parties.

[47 FR 49559, Nov. 1, 1982, as amended at 61 FR 52712, Oct. 8, 1996]

§ 1113.11 Abstracts of documents.

When documents, such as freight bills or bills of lading, are numerous, the officer may refuse to receive all the documents in evidence and instead admit only a limited number of representative documents. He may instruct, if the proffer be for the purpose of proving damages, that introduction be deferred until there is opportunity to comply with § 1133.2. If the proffer be for another purpose the officer may require the party in orderly fashion to abstract the relevant data from the documents, affording other parties reasonable opportunity to examine both the documents and the abstract, and

49 CFR Ch. X (10–1–22 Edition)

thereupon offer such abstract in evidence in exhibit form.

[47 FR 49559, Nov. 1, 1982, as amended at 61 FR 52713, Oct. 8, 1996; 81 FR 8854, Feb. 23, 2016]

§ 1113.12 Exhibits.

(a) *Copies.* Unless the officer otherwise directs, the original and 10 copies of each exhibit of a documentary character should be furnished for the use of the Board. The original will be delivered to the reporter, and the copy to the officer. If the hearing is before a board, a copy of the exhibit should be furnished to each member of the board, unless the board otherwise directs. Unless the officer for cause directs otherwise, a reasonable number of copies should be furnished to counsel in attendance at the hearing.

(b) *Interchange prior to hearing.* Whenever practicable, the parties should interchange copies of exhibits or other pertinent material or matter before or at the commencement of the hearing; and the Board or presiding officer may so direct.

(c) *When excluded how treated.* When exhibit has been identified, objected to, and excluded, the officer will develop whether the party offering the exhibit withdraws the offer, and if so, permit the return of the exhibit to him. If the excluded exhibit is not withdrawn, it should be given an exhibit number for identification and be incorporated in the record. Exhibit numbers once used for identification will not be duplicated thereafter.

[47 FR 49559, Nov. 1, 1982, as amended at 53 FR 19301, May 27, 1988; 61 FR 52712, Oct. 8, 1996]

§ 1113.13 Filing evidence subsequent to hearing.

Except as provided in this section or as expressly may be permitted in a particular instance, the Board will not receive in evidence or consider as part of the record any documents, letters, or other writings submitted for consideration in connection with any proceeding after close of the hearing, and may return any such documents to the sender. Before the close of a hearing the officer may, at the request of a party or upon his own motion, or upon agreement of the parties, require that

Surface Transportation Board

§ 1113.18

a party furnish additional documentary evidence that supplements the existing record, within a stated period of time. Documentary evidence to be furnished in this way will be given an exhibit number at the time of filing and the parties advised accordingly.

[47 FR 49559, Nov. 1, 1982, as amended at 53 FR 19301, May 27, 1988; 61 FR 52712, Oct. 8, 1996; 84 FR 12944, Apr. 3, 2019]

§ 1113.14 Objections to rulings.

It is sufficient that a party, at the time the ruling is made or sought, make known to the officer on the record the action which he desires the officer to take or his objection to the action of the officer and his grounds for that objection. An objection not pressed in brief will be considered as waived. Where no brief is filed an objection will be considered as waived if not pressed in an appeal or reply to an appeal, if filed, or in a separate petition dealing only with that objection.

§ 1113.15 Interlocutory appeals.

Rulings of the presiding officer may be appealed prior to service of the initial decision only if:

- (a) The ruling denies or terminates any person's participation,
- (b) The ruling grants a request for the inspection of documents not ordinarily available for public inspection,
- (c) The ruling overrules an objection based on privilege, the result of which ruling is to require the presentation of testimony or documents, or
- (d) The presiding officer finds that the ruling may result in substantial irreparable harm, substantial detriment to the public interest, or undue prejudice to a party.

§ 1113.16 Oral argument before the hearing officer.

At the discretion of the hearing officer and upon reasonable notice to the parties, oral argument may be made at the close of testimony before him as an alternative to the filing of written briefs. Such argument, which should include requested findings and conclusions, will be recorded and made a part of the transcript of testimony, and will be available to the Board for consideration in deciding the case. The making

of such argument will not preclude oral argument before the Board.

[47 FR 49559, Nov. 1, 1982, as amended at 61 FR 52712, Oct. 8, 1996]

§ 1113.17 Transcript of record.

(a) *Filing.* After the close of the hearing, the complete transcript of the testimony taken and the exhibits shall be part of the record in the proceeding.

(b) *Corrections.* A suggested correction in a transcript ordinarily will be considered only if offered not later than 20 days after the date each transcript is filed with the Board. A copy of the letter (original only need be filed with the Board) requesting the suggested corrections should be served upon all parties of record and with 2 copies to the official reporter.

(c) *Objections to corrections.* Parties disagreeing with corrections suggested pursuant to paragraph (b) of this section should file written objections in the same manner as suggested corrections are to be filed. Objections to suggested corrections should be filed not later than 15 days after the filing with the Board of suggested corrections. If no objections are timely filed, the Office of Proceedings shall make the suggested corrections to the transcript. If objections are timely filed, the officer who presided at the hearing shall determine the merits of the suggested correction and enter an appropriate decision in the proceeding.

(d) *No free copies.* The Board will not furnish free copies of the transcript to any party to any proceeding.

[47 FR 49559, Nov. 1, 1982, as amended at 61 FR 52712, Oct. 8, 1996; 74 FR 52907, Oct. 15, 2009]

§ 1113.18 Briefs.

(a) *When filed.* In a proceeding which has been the subject of oral hearing, and in which briefs are to be filed, that fact will be stated by the officer on the record. The officer shall fix the time for filing briefs. Simultaneous filing will normally be required, and reply briefs will not normally be permitted.

(b) *Evidence abstract.* A brief filed after a hearing may contain an abstract of the evidence relied upon by the party filing it, preferably assembled by subjects, with reference to the

§ 1113.19

pages of the record, if written, or exhibit where the evidence appears. In the event the party elects not to include a separate abstract in his brief, he should give specific reference to the portions of the record, whether transcript or otherwise, relied upon in support of the respective statements of fact made throughout the brief.

(c) *Requested findings.* Each brief should include such requests for specific findings, separately stated and numbered, as the party desires the Board to make.

(d) *Exhibit reproduction.* Exhibits should not be reproduced in the brief, but may be shown, within reasonable limits, in an appendix to the brief. Analysis of such exhibits should be included in the brief where pertinent.

§ 1113.19 Pleadings: part of the record.

Matters of fact that are verified and filed prior to oral hearing and that are not specifically denied constitute evidence and are part of the record. A witness, who would present such evidence, must be made available for cross-examination if a request is reasonably made. This rule does not apply to protests against tariffs or schedules.

PROTECTIVE ORDER

1. Any party producing information, data, documents, or other material (hereinafter collectively referred to as “material”) in discovery to another party to this proceeding, or submitting material in pleadings, that the party in good faith believes reflects proprietary or confidential information, may designate and stamp such material as “CONFIDENTIAL,” and such material must be treated as confidential. Such material, any copies, and any data or notes derived therefrom:

- (a) Shall be used solely for the purpose of this proceeding and any judicial review proceeding arising herefrom, and not for any other business, commercial, or competitive purpose.
- (b) May be disclosed only to employees, counsel, or agents of the party requesting such material who have a need to know, handle, or review the material for purposes of the preparation and presentation of evidence and argument in STB Docket No. NOR 42179, any related proceedings before the Board, and/or any judicial review proceedings in connection with STB Docket No. NOR 42179 and/or with any related proceedings, and only where such employee, counsel, or agent has been given and has read a copy of this Protective Order, agrees to be bound by its terms, and executes the attached Undertaking for Confidential Material prior to receiving access to such materials.
- (c) Must be destroyed by the requesting party, its employees, counsel, and agents, at the completion of this proceeding and any judicial review proceeding arising herefrom. However, counsel and consultants for a party are permitted to retain file copies of all pleadings which they were authorized to review under this Protective Order, including Paragraph 10.
- (d) If contained in any pleading filed with the Board shall, in order to be kept confidential, be filed only in pleadings submitted in a package clearly marked on the outside “Confidential Materials Subject to Protective Order.” See 49 CFR 1104.14.

2. Any party producing material in discovery to another party to this proceeding, or submitting material in pleadings, may in good faith designate and stamp particular material, such as material containing shipper and/or private railcar owner car costs or pricing data or other competitively sensitive information, as “HIGHLY CONFIDENTIAL.” If any party wishes to challenge such designation, the party may bring such matter to the attention of the Board. Material that is so designated may be disclosed only to outside counsel or outside consultants of the party requesting such materials who have a need to know, handle, or review the materials for purposes of this proceeding and any judicial review proceeding arising herefrom and/or from any related proceedings, provided that such outside counsel or outside consultants have been given and have read a copy of this Protective Order, agree to be bound by its terms, and execute the

attached Undertaking for Highly Confidential Material prior to receiving access to such materials. Material designated as “HIGHLY CONFIDENTIAL” and produced in discovery under this provision shall be subject to all of the other provisions of this Protective Order, including without limitation paragraph 1.

3. In the event that a party produces material which should have been designated as “CONFIDENTIAL” or “HIGHLY CONFIDENTIAL” and inadvertently fails to designate the material as “CONFIDENTIAL” or “HIGHLY CONFIDENTIAL,” the producing party may notify the other party in writing within 5 days of discovery of its inadvertent failure to make the confidentiality designation. The party who received the material without the confidentiality designation will return the non-designated portion (including any and all copies) or destroy it, as directed by the producing party, or take such other steps as the parties agree to in writing. The producing party will promptly furnish the receiving party with properly designated material.

4. In the event that a party inadvertently produces material that is protected by the attorney client privilege, work product doctrine, or any other privilege, the producing party may make a written request within a reasonable time after the producing party discovers the inadvertent disclosure that the other party return the inadvertently produced privileged document. The party who received the inadvertently produced document will either return the document to the producing party or destroy the document immediately upon receipt of the written request, as directed by the producing party. By returning or destroying the document, the receiving party is not conceding that the document is privileged and is not waiving its right to later challenge the substantive privilege claim, provided that it may not challenge the privilege claim by arguing that the inadvertent production waived the privilege.

5. If any party intends to use “CONFIDENTIAL” and/or “HIGHLY CONFIDENTIAL” material at hearings in this proceeding, or in any judicial review proceeding arising herefrom, the party so intending shall submit any proposed exhibits or other documents setting forth or revealing such “CONFIDENTIAL” and/or “HIGHLY CONFIDENTIAL” material to the Board, or the court, as appropriate, with a written request that the Board or the court: (a) restrict attendance at the hearings during discussion of such “CONFIDENTIAL” and/or “HIGHLY CONFIDENTIAL” material; and (b) restrict access to the portion of the record or briefs reflecting discussion of such “CONFIDENTIAL” and/or “HIGHLY CONFIDENTIAL” material in accordance with the terms of this Protective Order.

6. If any party intends to use “CONFIDENTIAL” and/or “HIGHLY CONFIDENTIAL” material in the course of any deposition in this proceeding, the party so intending shall so advise counsel for the party producing the materials, counsel for the deponent, and all other counsel attending the deposition, and all portions of the deposition at which any such “CONFIDENTIAL,” and/or “HIGHLY CONFIDENTIAL” material is used shall be restricted to persons who may review the material under this Protective Order. All portions of deposition transcripts and/or exhibits that consist of or disclose “CONFIDENTIAL” and/or “HIGHLY CONFIDENTIAL” material shall be kept under seal and treated as “CONFIDENTIAL” and/or “HIGHLY CONFIDENTIAL” material in accordance with the terms of this Protective Order.

7. Each party is ordered to produce to the other party documents, including rail transportation and other contracts, or other documents or information which, because of confidentiality provisions, cannot be produced without a Board order directing their production to the extent that (1) the other party has requested that the documents be produced in discovery, and (2) the parties agree that the requested documents would be properly discoverable in this proceeding but for the confidentiality provisions(s). Such documents shall be required to be produced only after the other party(ies) to a contract (or other document subject to a confidentiality provision) who are entitled to prior notice have been provided written notice and a reasonable opportunity to object to that production and obtain a ruling from the Board on that objection. Any documents or contracts produced pursuant to this Section 7 shall be treated as “HIGHLY CONFIDENTIAL” and shall otherwise be subject to the terms of this Protective Order. To the extent that material reflecting the terms of contracts, shipper-specific traffic data, other traffic data, or other proprietary information is produced by a party in this or any related proceedings and is held and used by the receiving person in compliance with this Protective Order, such production, disclosure, and use of the material and of the data that the material contains will be deemed essential for the disposition of this and any related proceedings and will not be deemed a violation of 49 U.S.C. § 11904.

8. Except for this proceeding, the parties agree that if a party is required by law or order of a governmental or judicial body to release “CONFIDENTIAL” and/or “HIGHLY CONFIDENTIAL” material produced by the other party or copies or notes thereof as to which it obtained access pursuant to this Protective Order, the party so required shall notify the producing party in writing within 3 working days of the determination that the “CONFIDENTIAL” material, “HIGHLY CONFIDENTIAL” material, or copies or notes are to be released, or within 3 working days prior to such release, whichever is soonest, to permit the producing party the opportunity to contest the release.

9. Information that is publicly available or obtained outside of this proceeding from a person with a right to disclose it publicly shall not be subject to this Protective Order even if the same information is produced and designated as “CONFIDENTIAL” or “HIGHLY CONFIDENTIAL” in this proceeding.

10. Each party has a right to view its own data, information and documentation (i.e., information originally generated or compiled by or for that party), even if that data, information and documentation has been designated as “HIGHLY CONFIDENTIAL” by a producing party, without securing prior permission from the producing party. If a party (the “filing party”) files and serves upon another party (the “reviewing party”) a pleading or evidence containing the filing party’s “HIGHLY CONFIDENTIAL” material, the filing party shall also prepare and serve contemporaneously upon the reviewing party a “CONFIDENTIAL” version of the pleading or evidence from which the filing party’s “HIGHLY CONFIDENTIAL” material has been redacted. The “CONFIDENTIAL” version may be provided in hardcopy or electronic format at the option of the filing party and may be disclosed to those personnel employed by the reviewing party who have read a copy of this Protective Order and executed the attached Undertaking for Confidential Material (“In-house Personnel”). In lieu of preparing a “CONFIDENTIAL” version, the filing party may (simultaneously with the party’s submission to the Board of its “HIGHLY CONFIDENTIAL” version) make available to outside counsel for

any other party a list of all “HIGHLY CONFIDENTIAL” information that must be redacted from its “HIGHLY CONFIDENTIAL” version prior to review by in-house personnel, and outside counsel for any other party must then redact that material from the “HIGHLY CONFIDENTIAL” version before permitting any clients to review the submission.

11. Any party filing with the Board a “CONFIDENTIAL” or “HIGHLY CONFIDENTIAL” pleading in this proceeding should simultaneously file a public version of the pleading.

UNDERTAKING CONFIDENTIAL MATERIAL

I agree not to use or permit the use of any data or information obtained under this Undertaking, or to use or permit the use of any techniques disclosed or information learned as a result of receiving such data or information, for any purposes other than the preparation and presentation of evidence and argument in STB Docket NOR 42179 or any judicial review proceeding arising herefrom. I understand and agree that money damages would not be a sufficient remedy for breach of this Undertaking and that parties producing confidential documents shall be entitled to specific performance and injunctive or other equitable relief as a remedy for any such breach, and I further agree to waive any requirement for the securing or posting of any bond in connection with such remedy. Such remedy shall not be deemed to be the exclusive remedy for breach of this Undertaking but shall be in addition to all remedies available at law or equity.
