Subject: PIRATE Final EA Input

*** PROCEED WITH CAUTION - This email was sent from outside the Company ***

Hi Kevin,

Can you please provide input on the following, which will help us with responses to comments in the Final EA?

Can you please confirm that no speed changes are proposed on the Phoenix Subdivision associated with PIRATE? We currently state that the maximum speed is 60 mph. **No speed changes on the ML track are proposed and current max speed is 60 mph.**

Can UP estimate how long it will take to construct the Sossaman at-grade crossing? **The track construction portion will take approximately 8 weeks to complete.**

Thank you,

Maggie Buckley | [Jacobs](#) | Environmental Project Manager (she/her)
