Hi all

I was in touch with ACHP this morning about the damage to sites within UPRR ROW of the APE.

Alan - Jaimie mentioned that you have experience with Section 110(k) of the NHPA - did UPRR's actions trigger this? Sounds more like a non-compliance issue on the part of the Real Estate division, which is still problematic from the SHPO perspective. We can discuss when you're back from vacation.

Also, Jaimie says ACHP has not received notification of the adverse effect finding?
 This needs to be done ASAP.

See you next week!
