Re: Docket No. EP 770 (Sub-No. 1), *Urgent Issues in Freight Rail Service—  
Railroad Reporting*

Dear Ms. Brown:

Grand Trunk Corporation, on behalf of the U.S. rail operating subsidiaries of Canadian National Railway Company (collectively, "CN"), respectfully submits the reporting data pursuant to the Board's order served on May 2, 2023, extending data reporting in the above-captioned docket.

In addition, CN is filing an updated copy of the service data for Week 33 (submitted on August 23, 2023). CN discovered an undercount of data Item Number 2, the weekly average number of train starts per day. The replacement file contains revised reporting for that item for Week 33.

Respectfully submitted,

Kathryn J. Gainey
