Subject: STB meeting on 9/28/23 for Conrail's Proposed Abandonment of Harsimus Branch in Jersey City, NJ, Docket No. AB-167 (Sub-No. 1189X)
Date: Thursday, September 28, 2023 9:50:00 PM

Good evening. I regret not being able to attend tonight's meeting, but I wish to convey my deep concern regarding the future of the Jersey City 6th Street Embankment. Having lived across the street from it for five years, I have witnessed its unique beauty, and I strongly believe it should be preserved. It deserves to be upheld to the same standards as all historically preserved neighborhoods in Jersey City. Failing to protect this structure would compromise the integrity of all historically preserved areas in our city.
