Re: Finance Docket No. 36500 (Sub-No. 6), *Canadian Pacific Ry. – Control – Kansas City Southern*

Dear Ms. Brown:

On October 15, 2023, Canadian Pacific Kanas City Limited, on behalf of its affiliated U.S. rail carriers (collectively, “CPKC”) , filed its initial data submission in this oversight proceeding. It has come to our attention that a data loading error resulted in certain data fields in the Operational Data File (specifically data key 88, relating to Houston dwell time) reporting a value of zero instead of the accurate data.

CPKC is submitting herewith a replacement for the Operational Data File that corrects this error. The replacement file is named
“STB_FD_36500_6_OPERATIONAL_2023_10_202310171036.csv.”

Please contact me with any questions.

Respectfully submitted,

David L. Meyer
