Hi Alan,

Will Stamatis here. Born at Overlook Hospital in Summit, raised in Union Township & Mountainside, and currently living in Jersey City.

Hopefully, this is one of many emails you're getting—want to express strong support for the preservation of the Embankment and all the sentiments in the [Harsimus Cove Association letter](#),

We've got a unique opportunity to make the greenway a cross-county success for generations to come, and it would be devastating if the final connection to the Hudson River was blocked.

Thank you for everything you do,
Will
