**OVERHEAD TRACKAGE RIGHTS AGREEMENT
BETWEEN
BNSF RAILWAY COMPANY AND UNION PACIFIC RAILROAD
PACIFIC TO LABADIE, MO**

THIS OVERHEAD TRACKAGE RIGHTS AGREEMENT made as of this 17th day of November, 2023, between UNION PACIFIC RAILROAD COMPANY, a Delaware corporation ("UP" or "Owner"), and BNSF RAILWAY COMPANY, a Delaware corporation ("BNSF" or "User").

WITNESSETH:

WHEREAS, Owner owns a line of railroad extending between Pacific and Labadie, Missouri, as shown by bold line on the attached print dated 10/25/2023 (identified as Exhibit A) and described in Section 1.9 of Exhibit B, which shall be referred to collectively herein as the "**Joint Trackage;**" and

WHEREAS, UP and BNSF are parties to an agreement dated September 25, 1995, as restated and amended from time to time, including by a Restated and Amended Agreement submitted to the Surface Transportation Board ("STB") on March 1, 2002 ("RSA") (collectively the "**Settlement Agreement**"), pursuant to which UP granted certain rights to BNSF, including Overhead Trackage Rights over UP's Jefferson City Subdivision between MP 34.8 near Pacific and MP 43.8 near Labadie, Missouri for the purpose of accessing Ameren UE's facility at Labadie as well as the right to serve all "2-to-1" Shipper Facilities, New Shipper Facilities and then Existing Transload Facilities at Labadie; and

WHEREAS, BNSF's rights as described were affirmed in STB Finance Docket 32760, Decision Nos. 44 and 89 and incorporated into Section 7(e) of the RSA; and

WHEREAS, BNSF now desires to obtain overhead trackage rights over UP's Jefferson City Subdivision between Pacific and Labadie, Missouri for the purpose of accessing Ameren UE's facility at Labadie; and

WHEREAS, pursuant to the Settlement Agreement, Owner and User wish to more specifically define the terms and conditions under which said overhead trackage rights shall be exercised.

NOW, THEREFORE, it is mutually agreed by and between the parties:

Section 1. General Conditions

The General Conditions set forth in Exhibit B attached hereto are hereby made a part of this Agreement. Subject to Section 6 below, capitalized terms used and not otherwise defined in this Agreement shall have the meaning ascribed to them in the General Conditions or Settlement Agreement, as the case may be. If any conflict between the General Conditions and this Agreement shall arise, the provisions of this Agreement shall prevail.

REDACTED - TO BE PLACED ON PUBLIC FILE**Section 2. Rights of User**

Subject to the terms and conditions contained herein, Owner grants to User the nonexclusive right to use the Joint Trackage for the limited operation of Equipment in User's account over the Joint Trackage in common with Owner and such other railroad company or companies as Owner has heretofore admitted or may hereafter at any time in the future admit to the joint use of all or part of the Joint Trackage (provided that such future admittance shall not materially hinder or obstruct the fair and reasonable exercise of the rights granted in this Agreement), such other railroad company or companies to hereinafter be considered Owner for the purposes of this Agreement, it being understood and agreed that User shall not have the right to:

- (i) Switch industries upon the Joint Trackage;
- (ii) Set out, pick up or store Equipment upon the Joint Trackage, or any part thereof, except as otherwise provided in this Section 2 and in Sections 2.11, 2.12 and 2.13 of Exhibit B;
- (iii) Serve any industry, team or house track, intermodal or auto facility now existing or hereafter located along the Joint Trackage;
- (iv) Permit or admit any third party to the use of all or any portion of the Joint Trackage, nor, under the guise of doing its own business, contract or make any agreement to handle as its own Equipment over or upon the Joint Trackage, or any portion thereof, the Equipment of any such third party which in the normal course of business would not be considered the Equipment of User; provided, however, that the foregoing shall not prevent User, pursuant to a run-through agreement with any railroad, from using the locomotives and cabooses of another railroad as its own under this Agreement;
- (v) Connect with or interchange with any other railroad;
- (vi) Utilize any portion of the west leg of the wye at Labadie of which UP has ownership.

The rights granted in Section 2 shall be for rail traffic of all kinds and commodities.

User shall have the right to use the Joint Trackage to access (i) Ameren UE's facility at Labadie; (ii) "2-to-1" Shipper Facilities and Existing Transload Facilities at Labadie and (iii) any New Shipper Facility located at Labadie. The geographic limitations applicable to subparagraph (iii) above shall generally correspond to the territory within which, prior to the merger of UP and SP, a new customer could have constructed a facility that would have been open to service by both UP and SP either directly or through reciprocal switch. Where switching districts have been established, they shall be presumed to establish these geographic limitations.

REDACTED - TO BE PLACED ON PUBLIC FILE

If User wishes to provide rail service to Ameren, 2-1 Shipper Facilities, or any New Shipper facility at the locations set forth in this Section 2, User shall provide Owner with written notice of its plans including a proposed rail service plan to Ameren, 2-1 Shipper Facilities, or the New Shipper Facility and Owner shall, within 30 days of its receipt of such notice and plan, notify User of its approval or disapproval of User's plan (including any plans for construction). Owner's approval of such plan shall not be unreasonably withheld.

User agrees that when entering, exiting, setting out or picking up from its existing lines of railroad or overhead trackage rights lines ("**User's Operations**"), it shall do so without unreasonable interference or impairment of the Joint Trackage. However, User agrees that, if sufficient trackage is not available at such location(s) to facilitate User's Operations, Owner may require User to construct additional trackage ("**Additional Trackage**") in the vicinity of such location(s) as may be required in the reasonable judgment of Owner, the cost and expense of which shall be borne solely by User. In the event such Additional Trackage is constructed at the cost and expense of User, and Owner shall choose to use such Additional Trackage, Owner shall pay User fifty percent (50%) of the cost of constructing such Additional Trackage plus per annum interest thereon at a rate equal to the average paid on 90-day Treasury Bills of the United States Government as of the date of completion until the date of use by Owner commences. Per annum interest shall be adjusted annually on the first day of the twelfth (12th) month following the date of completion and every year thereafter on such date, based on the percentage increase or decrease, in the average yield of 30-year U.S. Treasury Notes for the prior year compared to their average yield in first year of completion of the Additional Trackage. Each annual adjustment shall be subject, however, to a cap (up or down) of two percentage points of the prior year's interest rate (i.e., the adjustment may not exceed an amount equal to two percentage points of the immediately preceding year's interest rate).

Section 3. GTM Rates

In addition to other payments to be made under this Agreement, User shall [REDACTED] remit to Owner for the use of the Joint Trackage in the operation of its Equipment therealong and thereover, the total amount of [REDACTED]

Section 4. Additions

Except as may be expressly agreed by the parties otherwise in writing, expenditures for any future Changes in and/or Additions to the Joint Trackage, such as, but not limited to, sidings, Centralized Traffic Control, grade separations, and future connections, shall be handled as follows:

- (i) Owner shall bear the cost of all Changes in and/or Additions to the Joint Trackage that are necessary to achieve the benefits of the consolidation of UP and SP as outlined in the application filed with the STB in Finance Docket No. 32760 for UP to control SP. The operating plan filed by UP and SP in support of that application shall be given presumptive weight in determining what Changes in and/or Additions to the Joint Trackage are necessary to achieve these benefits.
- (ii) Any Changes in and/or Additions to the Joint Trackage other than those covered by subparagraph (i) of this Section 4 shall be shared by Owner and User on the basis that the parties' respective GTMs operated over the Joint Trackage bear to total GTMs operated over the Joint Trackage for the 12-month period immediately prior to the month work on the project is commenced. The use of Joint Trackage by any third party shall be attributed to Owner for purposes of computing respective GTMs for purposes of this Section 4.

Section 5. Notices

All notices, demands, requests, submissions and other communications which are required or permitted to be given pursuant to this Agreement shall be given by either party to the other in writing and shall be deemed properly served if delivered by hand, or mailed by overnight courier or by registered or certified mail, return receipt requested, with postage prepaid, to such other party at the address listed below:

Section 2. MAINTENANCE, ADDITIONS, OPERATION, AND CONTROL

2.1 Owner shall have sole charge of the maintenance and repair of the Joint Trackage with its own supervisors, labor, materials and equipment. Owner, from time to time, may make such Changes in and/or Additions to the Joint Trackage as shall be required by any law, rule, regulation or ordinance promulgated by any government body having jurisdiction, or as Owner, in its sole discretion, shall deem necessary, subject to Section 2.2. Such Changes in and/or Additions to the Joint Trackage shall become a part of the Joint Trackage or in the case of retirements shall be excluded from the Joint Trackage.

2.2 Unless otherwise mutually agreed to by the parties in writing, Owner shall, (i) keep and maintain the Joint Trackage on a consistent basis at no less than the track standard designated in the timetable in effect on the date of the Agreement, including special instructions for the Joint Trackage as of the date of the Agreement, (ii) maintain at least the physical capacity of the Joint Trackage as of the effective date of the Agreement (i.e., number of main tracks, support tracks, signal systems, rail weight, line clearances, etc.), and (iii) be responsible for Changes in and/or Additions to the Joint Trackage, as shall be necessary to accommodate the traffic of Owner and User while maintaining existing service standards (including transit times) in effect on the effective date of the Agreement. In the event that User desires that the Joint Trackage be improved to a condition in excess of the standard set forth in this Section 2.2, or desires that other Changes in and/or Additions to be made to the Joint Trackage, Owner agrees to make such Changes in and/or Additions to the Joint Trackage if funded in advance by User. Thereafter, such Changes in and/or Additions to the Joint Trackage shall become part of the Joint Trackage and shall be maintained by Owner in such improved condition.

2.3 Owner shall employ all persons necessary to construct, operate, maintain, repair and renew the Joint Trackage. Owner shall be bound to use reasonable and customary care, skill and diligence in the construction, operation, maintenance, repair and renewal of the Joint Trackage and in managing of the same. Owner shall make its best effort to ensure that User is given the same advance notice of maintenance plans and schedules as is provided to Owner's personnel.

2.4 The overhead trackage rights granted hereunder shall give User access to and joint use of the Joint Trackage equal to that of Owner. The management, operation (including dispatching) and maintenance of the Joint Trackage shall, at all times, be under the exclusive direction and control of Owner, the movement of Equipment over and along the Joint Trackage shall at all times be subject to the exclusive direction and control of Owner's authorized representatives and in accordance with such reasonable operating rules as Owner shall from time to time institute, but in the management, operation (including dispatching) and maintenance of the Joint Trackage, Owner

REDACTED - TO BE PLACED ON PUBLIC FILE

and User shall be treated equally. All operating, dispatching and maintenance decisions by Owner affecting the movement of Equipment on the Joint Trackage shall be made pursuant to the BNSF-UP/SP Dispatching Protocols attached hereto as Attachment 1. User shall, at User's sole cost and expense, obtain, install and maintain necessary communication equipment to allow User's Equipment to communicate with Owner's dispatching and signaling facilities the same as Owner's trains so utilize. Owner shall consult with User prior to the adoption of new communication or signaling systems to be employed on the Joint Trackage, which have not theretofore been generally adopted in the railroad industry.

2.5 If the use of the Joint Trackage shall at any time be interrupted or traffic thereon or thereover be delayed for any cause, neither party shall have or make any claim against the other for loss, damage or expense caused by or resulting solely from such interruption or delay.

2.6 Owner may from time to time provide any track or tracks on the Joint Trackage for use by User provided there shall at all times be afforded User a continuous route of equal utility for the operations of its Equipment between the termini of the Joint Trackage. When such tracks which are not part of the Joint Trackage are used as provided herein, the Agreement shall govern for the purpose of direction and control and liability as if all movement had been made over the Joint Trackage.

2.7 Each party shall be responsible for furnishing, at its sole cost and expense, all labor, fuel, train and other supplies necessary for the operation of its own Equipment over the Joint Trackage. In the event a party does furnish such labor, fuel or train and other supplies to another party, the party receiving the same shall promptly, upon receipt of billing therefor, reimburse the party furnishing the same for its reasonable costs thereof, including customary additives.

2.8 User shall be responsible for the reporting and payment of any mileage, per diem, use or rental charges accruing on Equipment in User's account on the Joint Trackage. Except as may be specifically provided for in the Agreement, nothing herein contained is intended to change practices with respect to interchange of traffic between the parties or with other carriers on or along the Joint Trackage.

2.9 (a) Except as otherwise may be provided in the Agreement, User shall operate its Equipment over the Joint Trackage with its own employees, but before said employees are assigned or permitted to operate Equipment over the Joint Trackage as herein provided, and from time to time thereafter as and when reasonably requested by Owner, they shall be required to pass the applicable rules examinations required by Owner of its own employees. Owner shall delegate to specified User's officers the conduct of such examinations in the event User chooses to conduct such examinations. If an Owner officer conducts such examinations of employees of User, User shall pay Owner a reasonable fee for each employee so examined, such fee to be mutually agreed upon by the parties from time to time in a separate agreement. Notwithstanding any such examination, User shall be responsible for ensuring that its employees are qualified and have taken all such rules examinations. During the initial start-up period, User shall allow Owner's pilot, at

REDACTED - TO BE PLACED ON PUBLIC FILE

User's sole cost and expense, to accompany User over the Joint Trackage as Owner may in its reasonable judgement deem necessary.

(b) Upon request of User, occurring no more than once per 12 month period, and at User's sole cost and expense, Owner shall qualify one or more of User's supervisory officers as pilots and such supervisory officer or officers so qualified shall further qualify employees of User engaged in or connected with User's operations on, over or along the Joint Trackage.

2.10 If any employee of User shall neglect, refuse or fail to abide by Owner's rules, instructions and restrictions governing the operation on or along the Joint Trackage, such employee shall, upon written request of Owner, be prohibited by User from working on the Joint Trackage. If either party shall deem it necessary to hold a formal investigation to establish such neglect, refusal or failure on the part of any employee of User, then upon such notice presented in writing, Owner and User shall promptly hold a joint investigation in which the parties concerned shall participate and bear the expense for their respective officers, counsel, witnesses and employees. Notice of such investigations to User's employees shall be given by User's officers, and such investigations shall be conducted in accordance with the terms and conditions of schedule agreements between User and its employees. If, in the judgment of Owner, the result of such investigation warrants such employee shall upon written request by Owner, be withdrawn by User from service on the Joint Trackage, and User shall release and indemnify Owner from and against any and all claims and expenses arising from such withdrawal.

If the disciplinary action is appealed by an employee of User to the National Railroad Adjustment Board or other tribunal lawfully created to adjudicate such cases, and if the decision of such board or tribunal sustains the employee's position, such employee shall not thereafter be barred from service on the Joint Trackage by reason of such disciplinary action.

2.11 If any Equipment of User is bad ordered en route on the Joint Trackage and (i) it is necessary that it be set out, and (ii) only light repairs to the Equipment are required, then such bad ordered Equipment shall be promptly repaired and, thereafter, be promptly removed from the Joint Trackage by User. Owner may, upon request of User and at User's sole cost and expense, furnish the required labor and material and perform light repairs to make such bad ordered Equipment safe for movement. The employees and Equipment of Owner while in any manner so engaged or while en route to or returning to Owner's terminal from such an assignment shall be considered Sole Employees (as hereinafter defined) of User and Sole Property (as hereinafter defined) of User. However, should Owner's employees after repairing such bad ordered Equipment for User move directly to perform service for Owner's benefit rather than return to Owner's terminal, then User's exclusive time and liability will end when Owner's employees depart for work to be performed for Owner's benefit. In the case of such repairs by Owner to freight cars in User's account, billing therefor shall be in accordance with the field and office manuals of the interchange rules, adopted by the AAR (hereinafter called "**Interchange Rules**"), in effect on the date of performance of the repairs. Owner shall then prepare and submit billing directly to and collect from the car owner for car owner responsibility items as determined under said Interchange Rules, and Owner shall prepare and submit billing directly to and collect from User for handling line responsibility items

REDACTED - TO BE PLACED ON PUBLIC FILE

as determined under said Interchange Rules. Owner also shall submit billing to and collect from User any chargers for repair to freight cars that are User's car owner responsibility items as determined under said Interchange Rules, should said car owner refuse or otherwise fail to make payment therefor. Repairs to locomotives shall be billed as provided for in Section 3 of these General Conditions.

2.12 If Equipment of User shall become derailed, wrecked, or otherwise disabled while upon the Joint Trackage, it shall be re-rail or cleared by Owner, except that employees of User may, re-rail User's derailed Equipment on the Joint Trackage whenever use of motorized on- or off-track equipment is not required; however, in any such case, employees of User shall consult with and be governed by the directions of Owner. Owner reserves the right to re-rail Equipment of User when, in the judgment of Owner, Owner deems it advisable to do so to minimize delays and interruptions to train movement. The reasonable costs and expenses of rerailing or clearing derailed, wrecked, or disabled Equipment shall be borne by the parties in accordance with Section 5 of these General Conditions. Services provided under this Section shall be billed in accordance with Section 3 of these General Conditions.

2.13 In the event Equipment of User shall be forced to stop on the Joint Trackage, and such stoppage is due to insufficient hours of service remaining among User's employees, or due to mechanical failure of User's Equipment (other than bad ordered Equipment subject to light repairs pursuant to Section 2.11), or to any other cause not resulting from an accident or derailment (including the failure of User to promptly repair and clear bad ordered Equipment pursuant to Section 2.11), and such Equipment is unable to proceed, or if a train of User fails to maintain the speed required by Owner on the Joint Trackage, or if, in emergencies, disabled Equipment is set out of User's trains on the Joint Trackage, Owner shall have the option to furnish motive power or such other assistance (including but not limited to the right to re-crew User's train) as may be necessary to haul, help or push such Equipment, or to properly move the disabled Equipment off the Joint Trackage. The reasonable costs and expenses of rendering such assistance shall be borne by User. Services provided under this Section shall be billed in accordance with Section 3 of these General Conditions.

2.14 User shall pay to Owner reasonable expenses incurred by Owner in the issuance of timetables made necessary solely by changes in the running time of the trains of User over the Joint Trackage. If changes in running time of trains of Owner or third parties, as well as those of User, require the issuance of timetables, then User shall pay to Owner that proportion of the expenses incurred that one bears to the total number of parties changing the running time of their trains. If changes in running time of trains of Owner or third parties, but not those of User, require the issuance of timetables, then User shall not be required to pay a proportion of the expenses incurred in connection therewith.

2.15 User, at Owner's request, shall be responsible for reporting to Owner the statistical data called for in the Agreement, which may include, but is not limited to, the number and type of Equipment and GTMs operated on the Joint Trackage.

REDACTED - TO BE PLACED ON PUBLIC FILE**Section 3. BILLING**

3.1 Billing shall be accomplished on the basis of data contained in a billing form mutually agreed to between the parties. Such billing forms shall contain sufficient detail to permit computation of payments to be made hereunder. Billing shall be prepared according to the rules, additives, and equipment rental rates as published by the Owner. User shall pay to Owner at the Office of the Treasurer of Owner, or at such other location as Owner may from time to time designate in writing, all the compensation and charges of every name and nature which in and by Agreement User is required to pay in lawful money of the United States within thirty (30) days after the rendition of bills therefor. Bills shall contain a statement of the amount due on account of the expenses incurred, properties and facilities provided and services rendered during the billing period.

3.2 Errors or disputed items in any bill shall not be deemed a valid excuse for delaying payment, but shall be paid subject to subsequent adjustment; provided no exception to any bill shall be honored, recognized, or considered if filed after the expiration of three (3) years from the last day of the calendar month during which the bill is rendered and no bill shall be rendered later than three (3) years (i) after the last day of the calendar month in which the expense covered thereby is incurred, or (ii) in the case of claims disputed as to amount or liability, after the amount is settled and/or the liability(ies) established. This provision shall not limit the retroactive adjustment of billing made pursuant to exception taken to original accounting by or under authority of the STB or retroactive adjustment of wage rates and settlement of wage claims.

3.3 So much of the books, accounts, and records of each party hereto are related to the subject matter of this Agreement shall at all reasonable times be open to inspection by the authorized representatives and agents of the parties hereto. All books, accounts, and records shall be maintained to furnish readily full information for each item in accordance with any applicable laws or regulations.

3.4 Should any payment become payable by Owner to User under the Agreement, the provisions of Section 3 of these General Conditions shall apply with User as the billing party and Owner as the paying party.

3.5 Either party hereto may assign any receivables due it under this Agreement; provided, however, that such assignments shall not relieve the assignor of any rights or obligations under the Agreement.

Section 4. COMPLIANCE WITH LAWS

4.1 With respect to operation of Equipment on the Joint Trackage, each party shall comply with all applicable federal, state and local laws, rules, regulations, orders, decisions and ordinances ("Standards"), and if any failure on the part of any party to so comply shall result in a fine, penalty,

REDACTED - TO BE PLACED ON PUBLIC FILE

cost or charge being imposed or assessed on or against another party, such other party shall give prompt notice to the failing party and the failing party shall promptly reimburse and indemnify the other party for such fine, penalty, cost or charge and all expenses and attorneys' fees incurred in connection therewith, and shall upon request of the other party defend such action free of cost, charge and expense to the other party.

4.2 User agrees to comply fully with all applicable Standards concerning "hazardous waste" and "hazardous substances". User covenants that it shall not treat or dispose of "hazardous substances" or "hazardous waste" on the Joint Trackage. User further agrees to furnish Owner (if requested) with proof, satisfactory to Owner, that User is in such compliance

In the event any accident, bad ordered Equipment, derailment, vandalism or wreck (for purposes of this Section 4.2 and 4.3 hereinafter called collectively "Derailment") involving Equipment of or a train operated by User carrying hazardous materials, substances or wastes, as defined pursuant to federal or state law (hereinafter called "Hazardous Materials") shall occur on any segment of the Joint Trackage, any report required by federal, state or local authorities shall be the responsibility of User. User shall also advise the owner/shipper of the Hazardous Materials involved in the Derailment, and Owner, immediately.

In the event of a Derailment, Owner shall assume responsibility for cleaning up any release of Hazardous Materials from User's Equipment in accordance with all federal, state, or local regulatory requirements. User may have representatives at the scene of the Derailment to observe and provide information and recommendations concerning the characteristics of Hazardous Materials release and the cleanup effort. Such costs shall be borne in accordance with Section 5 of these General Conditions.

If a Hazardous Materials release is caused by a derailment involving Equipment of User, or on a train operated by User, results in contamination of real property or water on the Joint Trackage or on real property or water adjacent to the Joint Trackage (whether such real property or water is owned by Owner or a third party), Owner shall assume responsibility for emergency cleanup conducted to prevent further damage. User shall be responsible for performing cleanup efforts thereafter. Any costs associated with cleaning up real property or water on or adjacent to the Joint Trackage contaminated by Hazardous Materials shall be borne in accordance with Section 5 of these General Conditions.

If Hazardous Materials must be transferred to undamaged Equipment or trucks as a result of a release caused by a derailment involving Equipment of User, or on a train operated by User User shall perform the transfer; PROVIDED, HOWEVER, that if the Hazardous Materials are in damaged Equipment that is blocking the Joint Trackage, Owner, at its option, may transfer the Hazardous Materials with any costs associated with such transfer borne in accordance with Section 5 of these General Conditions. Transfers of Hazardous Materials by User shall only be conducted after being authorized by Owner.

REDACTED - TO BE PLACED ON PUBLIC FILE

4.3 The total cost of clearing a Derailment, cleaning up any Hazardous Materials released during such Derailment, and/or repairing the Joint Trackage or any other property damaged thereby shall be borne by the party or parties liable therefor in accordance with Section 5 of these General Conditions.

4.4 In the event of release of Hazardous Materials caused by faulty Equipment or third parties, cleanup will be conducted as stated in Section 4 of these General Conditions.

Section 5. LIABILITY

5.1 General. The provisions of this Section 5 shall apply only as between the parties hereto and are solely for their benefit. Nothing herein is intended to be for the benefit of any person or entity other than the parties hereto. It is the explicit intention of the parties hereto that no person or entity other than the parties hereto is or shall be entitled to bring any action to enforce any provision hereof against any of the parties hereto, and the assumptions, indemnities, covenants, undertakings and agreements set forth herein shall be solely for the benefit of, and shall be enforceable only by, the parties hereto. Notwithstanding anything contained in this Section 5, no provisions hereof shall be deemed to deprive Owner or User of the right to enforce or shall otherwise restrict any remedies to which they would otherwise be entitled under other provisions of the Agreement as a result of the other party's failure to perform or observe any other obligation or duty created by this Agreement. The provisions of this Section 5 shall apply as between the parties hereto irrespective of the terms of any other agreements between the parties hereto and other railroads using the Joint Trackage, and the allocation of liabilities provided for herein shall control as between the parties hereto.

5.2 Definitions and Covenants. The parties agree that for the purposes of this Section 5:

(a) The term "Employee(s)" of a party shall mean all officers, agents, employees and contractors of that party. Such Employees shall be treated either as "Sole Employees" or "Joint Employees", as hereinafter specified.

(b) "Sole Employees" and "Sole Property" shall mean one or more Employees, Equipment, tools and other equipment and machinery while engaged in, en route to or from, or otherwise on duty incident to performing service for the exclusive benefit of one party. 5.3 Reimbursement and Defense. The parties agree that:

(a) Each party hereto shall pay promptly Loss and/or Damage for which such party shall be liable under the provisions of this Section 5 and shall indemnify the other party against such Loss and/or Damage, including reasonable attorneys' fees and costs. If any suit or suits shall be brought against either of the parties hereto and any judgment or judgment shall be recovered which said party is compelled to pay, and the other party shall under the provisions of the Agreement be solely liable therefor, then the party which is so liable shall promptly repay on demand to the other party paying the same any monies which it may have been required to pay, whether in the way of Loss and/or Damage, costs, fees or other expenses; and if the Loss and/or Damage in such case or cases is joint or allocated between the parties to the Agreement, the party defendant paying the same or any costs, fees or other expenses shall be reimbursed by the other party as allocated pursuant to this Agreement.

(c) Each party hereto shall have the sole right to settle, or cause to be settled for it, all claims for Loss and/or Damage for which such party shall be solely liable under the provisions of this Section 5, and the sole right to defend or cause to be defended all suits for the recovery of any such Loss and/or Damage for which such party shall be solely liable under the provisions of this Section 5.

(d) User shall provide written notice to Owner of any accidents or events resulting in Loss and/or Damage within seven (7) days of its discovery or receipt of notification of such occurrence.

(e) In the event both parties hereto may be liable for any Loss and/or Damage under the provisions of this Section 5 ("Co-liable"), and the same shall be settled by a voluntary payment of money or other valuable consideration by one of the parties Co-liable therefor, release from liability shall be taken to and in the name of all the parties so liable; however, no such settlement in excess of the sum of One Hundred Thousand Dollars (\$100,000) shall be made by or for any party Co-liable therefor without the written consent of the other parties so liable, but any settlement

made by any party in consideration of One Hundred Thousand Dollars (\$100,000) or a lesser sum shall be binding upon the other parties and allocated in accordance with Section 5 and no party shall unreasonably withhold its consent to a settlement proposed by the other party; provided, however, that failure by a party to secure consent from the other shall not release such other party to the extent the party who failed to obtain such consent demonstrates that the other party was not prejudiced by such failure.

(f) In case a claim or suit shall be commenced against any party hereto for or on account of Loss and/or Damage for which another party hereto is or may be solely liable or Co-liable under the provisions of this Section 5, the party against whom such claim or suit is commenced shall give to such other party prompt notice in writing of the pendency of such claim or suit, and thereupon such other party shall assume or join in the defense of such claim or suit as follows: If the claim or suit involves Loss and/or Damage to the Sole Employees or Sole Property of a party or its invitee or property in its care, custody or control, that party shall assume and control the investigation and defense of such claim or suit; if the claim or suit involves Loss and/or Damage to third parties, Joint Employees or the Joint Trackage, the party whose Sole Employees or Equipment were involved in the incident shall investigate and defend such claim or suit; and if such claim or suit involves Loss and/or Damage to third parties, Joint Employees or the Joint Trackage and neither or both party's Equipment and Sole Employees were involved in the incident, Owner shall investigate and defend such claim or suit; provided that the other party also may participate in the defense of any of the foregoing if it may have liability as a result of such incident.

(g) No party hereto shall be conclusively bound by any judgments against the other party, unless the former party shall have had reasonable notice requiring or permitting it to investigate and defend and reasonable opportunity to make such defense. When such notice and opportunity shall have been given, the party so notified and the other party shall be conclusively bound by the judgment as to all matters which could have been litigated in such suit, including without limitation a determination of the relative or comparative fault of each.

5.4 Wrecks and Derailment. The cost and expense of repairing bad ordered Equipment, clearing wrecks or otherwise disabled Equipment or rerailing Equipment (and the costs of repair or renewal of damaged Joint Trackage or adjacent properties) shall be borne by the party whose Equipment was wrecked, disabled, or derailed or caused such damage. - (i) If the Loss and/or Damage is attributable to the acts or omissions of only one party hereto, that party shall bear and pay all of such Loss and/or Damage.
- (ii) If such Loss and/or Damage is attributable to the acts or omissions of more than one party hereto, such Loss and/or Damage shall be borne and paid by those parties in accordance with a comparative negligence standard, whereby each such party shall bear and pay a portion of the Loss and/or Damage equal to the degree of causative fault or percentage of responsibility for the Loss and/or Damage attributable to that party without regard to laws limiting recovery if one party is more than fifty percent (50%) at fault.
- (iii) Loss and/or Damage to third parties or Joint Employees occurring in such a way that it cannot be determined how such Loss and/or Damage came about shall be apportioned equally between the parties, provided that, without limitation, User shall not bear or incur any liability for claims, suits, demands, judgments, losses or damages resulting from environmental contamination of or Hazardous Materials on or released from the Joint Trackage, except contamination or a release of Hazardous Materials from User's own Equipment or caused by or arising from the actions or omissions of User or User's Employees, and then only in accordance with the other provisions hereof.

(c) The parties agree that the characterization herein of certain Employees as "Sole Employees" or "Joint Employees" is only for the purpose of allocating Loss and/or Damage suffered by those Employees. Except as specified in subsection (a) of this Section 5.5, (which provides for the allocation of certain Loss and/or Damage between the parties without regard to fault), no party shall be liable for the acts or omissions (negligent or otherwise) of any other party's Employee.

5.6 OWNER AND USER EXPRESSLY INTEND THAT WHERE ONE PARTY IS TO INDEMNIFY THE OTHER PURSUANT TO THE TERMS OF THIS AGREEMENT, SUCH INDEMNITY SHALL INCLUDE (1) INDEMNITY FOR THE NEGLIGENCE OR ALLEGED NEGLIGENCE, WHETHER ACTIVE OR PASSIVE, OF THE

Unless other procedures are agreed to by the parties, arbitration between the parties pursuant to this Section 6 shall be governed by the rules and procedures set forth in this Section 6. The parties acknowledge that other procedures have been agreed to for resolution of disputes concerning compliance with the BNSF-UP/SP Dispatching Protocols (attached hereto as Attachment 1) which procedures are set forth in Paragraph 13 thereof.

6.2 If the parties to the dispute are able to agree upon a single competent and disinterested arbitrator within twenty (20) days after written notice by one party of its desire for arbitration to the other party, then the question or controversy shall be submitted to and settled by that single arbitrator. Otherwise, any party (the notifying party) may notify the other party (the noticed party) in writing of its request for arbitration and nominating one arbitrator. Within twenty (20) days after receipt of said notice, the noticed party shall appoint an arbitrator and notify the notifying party in writing of such appointment. Should the noticed party fail within twenty (20) days after receipt of such notice to name its arbitrator, said arbitrator may be appointed by the Chief Judge (or acting Chief Judge) of the United States District Court for the District of Columbia, upon application by either party after ten (10) days' written notice to the other party. The two arbitrators so chosen shall select one additional arbitrator to complete the board. If the arbitrators so chosen, fail to agree upon an additional arbitrator, the same shall, upon application of a party, be appointed by said judge in the manner heretofore stated.

notice of the time and place (of which the arbitrator(s) shall be the judge) of hearing evidence and argument, may take such evidence as the arbitrator(s) shall deem reasonable or as either party may submit with witnesses required to be sworn, and hear arguments of counsel or others. If an arbitrator declines or fails to act, the party (or parties in the case of a single arbitrator) by whom the arbitrator was chosen or said judge shall appoint another to act in the arbitrator's place.

6.4 After considering all evidence, testimony and arguments, said single arbitrator or the majority of said board of arbitrators shall promptly state such decision or award and the reasoning for such decision or award in writing which shall be final, binding, and conclusive on all parties to the arbitration when delivered to them. The award rendered by the arbitrator(s) may be entered as a judgment in any court having jurisdiction thereof and enforced as between the parties without further evidentiary proceeding, the same as entered by the court at the conclusion of a judicial proceeding in which no appeal was taken. Until the arbitrator(s) shall issue the first decision or award upon any question submitted for arbitration, performance under this Agreement shall continue in the manner and form existing prior to the rise of such question. After delivery of said first decision or award, each party shall forthwith comply with said first decision or award immediately after receiving it.

6.5 Each party to the arbitration shall pay all compensation, costs, and expenses of the arbitrator appointed in its behalf and all fees and expenses of its own witnesses, exhibits, and counsel. The compensation, cost, and expenses of the single arbitrator or the additional arbitrator in the board of arbitrators shall be paid in equal shares by all parties to the arbitration.

6.6 The parties may obtain discovery and offer evidence in accordance with the Federal Rules of Civil Procedure Rules 26 - 37, and Federal Rules of Evidence, as each may be amended from time to time.

6.7 Interest computed annually, at a rate equal to the Prime Rate plus two (2) percentage points shall be applied to any and all arbitration awards requiring the payment of money and shall be calculated from thirty (30) days following the date of the applicable arbitration decision. The term "Prime Rate" shall mean the minimum commercial lending rate charged by banks to their most credit-worthy customers for short-term loans, as published daily in the Wall Street Journal.

Section 7. GOVERNMENTAL APPROVAL AND ABANDONMENT

7.1 Owner and User shall, at their respective cost and expense, initiate by appropriate application or petition and thereafter diligently prosecute proceedings for the procurement of all necessary consent, approval or authority from any governmental agency for the sanction of the Agreement and the operations to be carried on or conducted by User thereunder. User and Owner agree to cooperate fully to procure all such necessary consent, approval or authority.

REDACTED - TO BE PLACED ON PUBLIC FILE

7.2 In the event Owner shall be involuntarily dispossessed, including by threat of condemnation by competent public authority, of the right to operate upon and maintain any portion of its Joint Trackage and Owner fails or declines to replace said Joint Trackage, Owner shall have no obligation hereunder to provide tracks in replacement of such Joint Trackage for User's use, and User shall have and shall make no claim of any kind, legal or otherwise, against Owner for failure to provide such Joint Trackage for User's use.

7.3 Owner and User each shall be responsible for and shall bear labor claims, and employee protection payable to, its own respective employees (and employees of its respective affiliated companies) including any amounts that either Owner or User may be required to pay to its own respective employees pursuant to labor protective conditions imposed by the STB.

Section 8. CATASTROPHIC EXPENSE

Section 9. TERM

9.1 The Agreement shall be effective upon execution for a term consistent with the RASA, which is set to expire on September 24, 2094. User shall have the right to terminate the Agreement upon twelve (12) months' prior written notice to Owner. Liabilities created under this Agreement, if it becomes effective and is later terminated, shall survive such termination.

9.2 Upon termination of the Agreement or any partial termination as the applicable case may be, however the same may occur, User shall be released from any and all manner of obligations and shall be deemed to have forever relinquished, abandoned, and surrendered and renounced any and all right possessed by User to operate over that part of the Joint Trackage to which such termination applied, and as to such part, User shall forever release and discharge Owner of and from any and all manner of obligations, claims, demands, causes of action or suits which User might have, or which might subsequently accrue to User growing out of or in any manner connected with directly or indirectly, the contractual obligations of Owner under the Agreement, in all events provided, however, the aforesaid relinquishment, abandonment, surrender, renunciation, release and discharge by User shall not in any case affect any of the rights and obligations of either Owner or User which may have accrued or liabilities accrued or otherwise, which may have arisen prior to such termination or partial termination. Upon any termination, Owner shall remove from Owner's right of way any connecting track, and any exclusive facility of User, at User's expense with salvage to be delivered to and retained by User. Upon any partial

termination of the Agreement, however the same may occur, the terms and conditions hereof shall continue and remain in full force and effect for the balance of the Joint Trackage.

Section 10. ASSIGNMENT

Except as provided in Section 3.5 and in the sentence immediately following, the Agreement and any rights granted hereunder may not be assigned in whole or in part by Owner or User without the prior written consent of the other. The Agreement may be assigned by Owner or User without the prior written consent of the other only (i) as a result of a merger, corporate reorganization, consolidation, change of control or sale of substantially all of its assets, or (ii) to an affiliate of the assigning party where the term "affiliate" means a corporation, partnership or other entity controlled, controlling or under common control with the assigning party. In the event of an authorized assignment, the Agreement and the operating rights hereunder shall be binding upon the successors and assigns of the parties.

Section 11. DEFAULT

11.1 Notwithstanding the provisions of Section 3 of these General Conditions, either party hereto claiming default of any of the provisions of the Agreement (including these General Conditions) shall furnish notice and written demand to the other party for performance or compliance with the covenant or condition of the Agreement claimed to be in default, which notice shall specify wherein and in what respect such default is claimed to exist and shall specify the particular Section or Sections of the Agreement under which such claim of default is made.

11.2 If the default shall continue for an additional period of thirty (30) days after receipt of such written notice and demand, and such default has not been remedied within said thirty (30) day period, or reasonable steps have not been nor continue to be taken to remedy a failure or default which cannot reasonably be remedied within said thirty (30) day period, and such default relates to the provisions and terms of the Agreement, either party shall resort to binding arbitration provided that the arbitrator shall not have the authority to amend, modify or terminate the Agreement.

11.3 Failure of a party to claim a default shall not constitute a waiver of such default. Either party hereto entitled to claim default may waive any such default, but no action by such party in waiving such default shall extend to or be taken to effect any subsequent defaults or impair the rights of either party hereto resulting therefrom.

Section 12. OTHER CONSIDERATIONS

12.1 The Agreement and each and every provision hereof is for the exclusive benefit of the parties hereto and not for the benefit of any third party. Nothing herein contained shall be taken as

creating or increasing any right in any third person to recover by way of damages or otherwise against any of the parties hereto.

12.2 If any covenant or provision of the Agreement not material to the right of User to use the Joint Trackage shall be adjudged void, such adjudication shall not affect the validity, obligation or performance of any other covenant or provision which is in itself valid. No controversy concerning any covenant or provision shall delay the performance of any other covenant or provision. Should any covenant or provision of the Agreement be adjudged void, the parties shall make such other arrangements as will effect the purposes and intent of the Agreement.

12.3 In the event there shall be any conflict between the provisions of these General Conditions and the Agreement, the provisions of the Agreement shall prevail, except that the definition of Joint Trackage set forth in Section 1.9 of these General Conditions shall prevail.

12.4 All section headings are inserted for convenience only and shall not affect any construction or interpretation of the Agreement.

12.5 Reference to any agency or other organization shall include any successor agency or organization, and reference to any index or methodology (e.g., RCAF-U, URCS, etc.), if such index or methodology ceases to exist or is no longer available, shall include any substantially similar index or methodology selected by the parties or, if the parties fail to agree on such, one determined by binding arbitration under Section 6 of these General Conditions.
