Thanks, Elizabeth. We'll get the revised MOU signed and sent to VHB as soon as we can.

Best,

Jay

Thanks, Jay. These changes are fine and consistent with CSXT. Please sign and send to VHB for signature of the MOU and disclosure statement and then return to us for Danielle's signature.

Thanks,
Elizabeth

Elizabeth,

I'm attaching a redline of the third-party MOU. There are just a couple of suggested changes. One is in the RE: line and just corrects the title of the proceeding. The other is in paragraph IV.P and specifies that the contractor's invoices should reference any purchase order numbers issued by the applicants. This makes accounting easier for CPKC.

Please let us know if you have any questions. If you're happy with the changes, we'll get the MOU signed.

Best regards,

Jay

Good afternoon Jay,

Attached please find the joint letter approving VHB as OEA's third party contractor to prepare one environmental document (EA) covering both proceedings. I've also attached the project specific disclosure statement and MOU for signature approvals. As you may have already seen, Diana sent the corresponding MOU and disclosure statement to Peter for the CSXT proceeding. After these documents have been signed and returned, we'll schedule a kick-off meeting to go over roles and responsibilities and establish schedules for monthly applicant calls. OEA typically uses Microsoft Teams to meet but if you have a preference for another platform, such as Zoom, please let us know. We look forward to hearing back from you and please let me know if you have any questions.

Thanks,
Elizabeth
