Thank you for your message, Karen.

I have been passing along the substance of our various communications with my client, and I understand that OmniTRAX has been engaged in selecting a third-party contractor from the STB's list. The last I had heard, they were actively assessing the list and checking against any potential conflicts.

I apologize for the slower-than-expected turn-around, and I thank you for your patience.

I will nudge the client again for a decision.

Subject: Docket Numbers FD 36723 and FD 36723 (Sub No. 1) - Status of Third-Party Contractor

Good Afternoon Rob,

I am contacting you, with respect to our October 25, 2023 call, regarding Docket Numbers FD 36723, Savannah Industrial Logistics, LLC – Construction Exemption – Effingham County, GA; and FD 36723 (Sub No. 1), Savannah Industrial Transportation, LLC – Operation Exemption – Effingham County, GA. As we discussed on our call, OEA needs an independent third-party contractor to move forward with these cases. I am following up to check on the status of your third-party contractor.

Sincerely,

Karen Stevens
