Subject: Follow-up on Union Pacific PIRATE Conversation

Dear Alan -

Thanks again to your and the OEA team for your time and our conversation one week ago. Can you please update us on the status of the preliminary damages assessment? We had anticipated receipt last week based on your estimate and are hoping to be able to review soonest. Additionally, we have not heard from you about any further thoughts or concerns about our direct outreach to tribal attorneys and staff as discussed and you indicated you wanted to discuss further internally. We intend to proceed with that direct proponent outreach to try to positively move things forward. Again, it would be helpful to have the damages assessment in that effort.

Thank you for your attention and courtesy.
