Hi Mary-Ellen,

Good morning! It's been a rough few weeks that is for sure.

It was good to see you at the in-field meeting and at 4ST, although we certainly wish the circumstances were better. We were looking forward to a more celebratory tone at 4ST, with execution of the MOA and next steps on the HPTP being the topic of the presentation. Unfortunately, that was not to be. 😞

I am attaching the initial damage summary. We are still working to get the Area 5 along the R/W included and to update and verify all the known events for the timeline. Hopefully, this will provide Kathryn an initial summary for her discussions with the Governor's office.

We will be sending out a letter this week to disclose the damage to all consulting parties. We will have more updated information in that letter.

Thanks, and have a great day.

Hi Glennnda,

I hope you had a good weekend and were able to wind down a bit. You guys did a great job at the 4ST meeting!

Any chance you can share the current time line of site damage you have with me? Kathryn needs to prepare an update for the Governor's office.

Best,
