Good Morning,

In a letter dated April 27, 2021 it was noted that STB would be providing consulting parties with more detailed copies of the proposed rail line and alternatives as they become available, as of today's date the Osage Nation has not received any updates. The Osage Nation wishes to know that status of the above project, Docket No. FD 36406, Port Authority of Kansas City.

The Osage Nation also requests that a cultural resources survey be conducted for the entire APE for the project.

Thank you,
