Authority of Kansas City – Construction and Operation Exemption, Jackson and Clay Counties,
Missouri (STB)

Dear Jenna Wheaton:

Thank you for submitting information to the State Historic Preservation Office (SHPO) regarding the above-referenced project for review pursuant to Section 106 of the National Historic Preservation Act, P.L. 89-665, as amended (NHPA), and the Advisory Council on Historic Preservation's regulation 36 CFR Part 800, which require identification and evaluation of historic properties.

We have reviewed the information regarding the above-referenced project and have included our comments on the following page(s). Please retain this documentation as evidence of consultation with the Missouri SHPO under Section 106 of the NHPA. SHPO concurrence does not complete the Section 106 process as federal agencies will need to conduct consultation with all interested parties. **Please be advised that, if the current project area or scope of work changes, such as a borrow area being added, or cultural materials are encountered during construction, appropriate information must be provided to this office for further review and comment.**

If you have questions please contact the SHPO at (573)751-7858 or call/email Jeffrey Alvey, (573) 751-7862, jeffrey.alvey@dnr.mo.gov. If additional information is required please submit the information via email to MOSection106@dnr.mo.gov.

Sincerely,

STATE HISTORIC PRESERVATION OFFICE

SHPO Project Number: 022-MLT-21 – Phase I Cultural Resources Survey of the Port Authority of Kansas City – Construction and Operation Exemption, Jackson and Clay Counties, Missouri (STB)

COMMENTS:

We have reviewed the cultural resources survey report entitled *Phase I Cultural Resources Survey of the Port Authority of Kansas City – Construction and Operation Exemption, Jackson and Clay Counties, Missouri* by Andrew Martin et al. of Cultural Resource Analysts, Inc. Based on this review it is evident that an adequate survey has been conducted of the project area. We concur that the four historic resources identified during the survey should be considered **not eligible** for inclusion in the National Register of Historic Places. We, therefore, concur that the undertaking will have **no effect on historic properties** and have no objection to the initiation of project activities.
