Docket Number: FD 36744

Dear Chair Oberman and members of the
Surface Transportation Board,

I'm from Iowa, and I'm writing to oppose Canadian National Railway taking over Iowa Northern Railway. This is a terrible deal for Iowans. It would increase rates, kill jobs, and hurt the environment.

You have the power to block it and the responsibility to follow the law and the best interests of ALL the people of Iowa--and beyond.

Yours,
