Selection of Environmental Consultant

Dear Ms. Gosselin:

Karen Stevens has advised that the Board's Office of Environmental Analysis intends to undertake an Environmental Assessment ("EA") under 49 C.F.R. § 1105.6(d) as part of the review of the project and operation encompassed, respectively, by the above-captioned proceedings.

Savannah Industrial Logistics, LLC ("SIL") and Savannah Industrial Transportation, LLC ("SIT") are electing to pursue funding the work of a third-party environmental consultant as 40 C.F.R. § 1506.5 and 49 C.F.R. § 1105.10(d) permit. To that end SIL and SIT propose an approved contractor from the Board's list:

Ms. Danielle Gosselin, Esq.

Please advise on the next steps SIL and SIT can take to assist with this review and third-party contractor approval. We look forward to discussing the scope of work.

Sincerely,

Robert A. Wimbish
