Re: Docket No. FD 36633, Louisiana 23 Development Company, LLC (LA 23) —
Construction and Operation Exemption — in Plaquemines Parish, La.; 90-day
Suspension of Environmental Review

Dear Ms. Floyd:

Thank you for your July 7, 2023 letter requesting an additional 90-day suspension of the environmental review process in the above-referenced proceeding. The Board's Office of Environmental Analysis (OEA) grants your request for an additional 90-day suspension to allow LA 23 to resolve certain internal questions. OEA looks forward to receiving LA 23's response to OEA's most recent information request 15 days after resumption of the environmental review process.

If you have any questions, please feel free to contact Adam Assenza of my staff at adam.assenza@stb.gov or 202-245-0301.

Sincerely,

Danielle Gosselin
Director
Office of Environmental Analysis
