Karen and Danielle -

Thanks to an email communication glitch, we are a bit behind in getting back to you.

Attached, however, you will find the executed forms associated with CDM Smith serving as third-party contractor for the STB's Office of Environmental Analysis.

I apologize for not having investigated the delay sooner.

Please let me know what I can do from here to advance this project.

Kind regards,

Rob Wimbish

Subject: Docket Nos. FD 36723 and FD36723 (Sub-No. 1) - Approval of Third-Party Consultant

Rob,

Please find attached the approval for CDM Smith to act as the third-party contractor for the above-referenced proceedings. Please let me know if you have any questions or concerns.

Sincerely,

Karen
