The National Association of Reversionary Property Owners (NARPO) is filing this comment to WSRR's June 7, 2024 Request to Hold Proceedings in Abeyance in AB 1339X.

NARPO's members own property abutting the railroad right of way (ROW) in AB 1339X, and these property owners own the reversionary rights to the underlying property in the ROW. These property owners have been waiting for over 30 years to exercise their reversionary rights to their property.

WSRR in their June 7, letter asks the STB to Hold The Proceedings in Abeyance, and WSRR also opines that no one will be prejudiced by the STB Holding the Proceedings in Abeyance request. There are numerous property owners who will be prejudiced by any further extension of the Discontinuance of Service in AB 1339X.

Some of the property owners who will be prejudiced by any extension of AB 1339X own property in the industrial area of Liberty Road and U.S. 15, family homes on Worman Mills Road, on the west end of Brookfield Court and the 700 feet that is part of the Frederick Substation.

NARPO requests the STB to not grant an extension to AB 1339X and deny WSRR's request to late file.

All Parties of Record have been served via email on 6/10/2024.
