– ACQUISITION OF CONTROL –

TRANSACTION CORPORATE SHUTTLE, INC.

DOCKET NO. MCF 21119

VERIFIED SUPPLEMENT TO APPLICATION UNDER 49 U.S.C. § 14303(a)
FOR APPROVAL OF THE ACQUISITION OF CONTROL OF TRANSACTION
CORPORATE SHUTTLE, INC. BY VAN POOL TRANSPORTATION LLC

Van Pool Transportation LLC (“Applicant”) respectfully submits this supplement (“Supplement”) to the original application (“Application”) filed with the Surface Transportation Board (the “Board”) for approval to acquire direct control of TransAction Corporate Shuttles, Inc. The Application was filed on August 15, 2024. On August 27, 2024, during a telephone call with the Board, Applicant was informed of an error in the Application. Specifically, the Board correctly identified that the Application omitted Local Motion, LLC, doing business as Local Motion of Boston (“Local Motion”), as an Affiliate Regulated Carrier from Section I.B.1 of the Application. This Supplement amends the relevant portions of the Application as follows:

Section I.A. is amended to reflect that Applicant directly owns and controls all of the equity and voting interest in ten (10) interstate passenger motor carriers. Local Motion should also be included among the list of Applicant Subsidiaries identified in Section I.A.

Section I.B. is amended to include a Subparagraph (10) describing Local Motion as follows: Local Motion is a Massachusetts corporation providing non-regulated school bus, charter, and shuttle services. The business address, along with USDOT Number, FMCSA Docket No. and Safety Rating assigned to Local Motion are set forth on the Summary Table. The geographic service area of Local Motion is the metropolitan area of Boston. The approximate number and types of vehicles utilized by Local Motion, as well as its approximate number of drivers are also set forth on the Summary Table.

Section VI.D. is amended to remove Local Motion among the list of competitors in the Service Area. However, in lieu of Local Motion, other competitors in the Service Area can be used as an example such as WeDriveU and DPV Transportation.

Exhibit A is amended to include a row for Local Motion in the Summary Table as follows:

<u>Entity Names</u>	<u>USDOT No.</u>	<u>FMCSA Docket No.</u>	<u>USDOT Safety Rating</u>	<u>Vehicles and Drivers</u>
