Subject: PIRATE Protective Measures Update

*** PROCEED WITH CAUTION - This email was sent from outside the Company ***

Good afternoon,

Following up on last week's discussion, OEA agrees that signage at 50-foot intervals around the remainder of the ROW is sufficient.

Silt fencing has not been installed around the spoils pile in the wye, so we'd appreciate an update on the timing for that.

We should have time during tomorrow's check-in to allow UP to briefly share their potential list of internal changes to institutional controls.

Thank you,
