Sounds good, thank you Kevin. Yes we can provide the burrowing owl surveys.

Thanks Maggie, Kris Anderson will be reaching to you both to schedule the work. Quick question, will you provide the burrowing owl surveys or is that something we need to coordinate?

Thanks,

Good morning Kevin, OEA has approved this work with the presence of a cultural monitor. Surveys for burrowing owl and migratory birds will also be required for this and any future mowing activity (this was an oversight on our part prior to the last mowing, I apologize for that). Please coordinate with Glenda and I on scheduling.

As an FYI, Glenda will be unavailable for most of June, so during that time you can contact me for monitoring and survey needs.

Thank you and have a great long weekend,

Maggie Buckley

Subject: [EXTERNAL] Vegetation Removal on UPRR near Cubes Property

Maggie:

UPRR has received a request to knock down vegetation adjacent to the Cubes property on our ROW (see attached map). This would include the entire 6.21 acres. We would like to accommodate the request but want to get OEA's buyoff. The work would consist of spraying the vegetation and then cutting it down. We would not be pulling roots. Please let us know if this is acceptable and whether it would require a cultural monitor.

Thank you,

Kevin Rice, PE
