Re: *Kansas & Oklahoma Railroad, LLC – Acquisition Exemption – Central Kansas Railway, LLC, FD 34030*

As recounted in its filing from earlier this week in the above-referenced docket, Kansas & Oklahoma Railroad, LLC (“K&O”) has agreed to accept service of Weskan Grain LLC’s (“Weskan”) motion for disclosure and its combined petition to reopen and to partially revoke effective as of December 2, 2024, on the understanding that the applicable procedural deadlines in this matter would be measured from that date forward.

In response to the aforementioned Weskan motion for disclosure, K&O does not object to the subject motion, provided document disclosure is to be governed by the terms of an appropriate Board-issued protective order. K&O understands that Union Pacific Railroad Company (not a party to this proceeding) would not object to K&O’s release of the documents Weskan seeks upon Board issuance of a protective order. Accordingly, K&O awaits further action, and direction, from the Board in keeping with 49 C.F.R. § 1114.30(d)

Respectfully submitted,

/s/ *R. A. Wimbish*
