Re: Docket No. EP 711 (Sub-No. 2), *Reciprocal Switching for Inadequate Service*

Dear Ms. Brown:

Grand Trunk Corporation, on behalf of the U.S. rail operating subsidiaries of Canadian National Railway Company (collectively, "CN"), respectfully submits the reporting data pursuant to the Board's order effective on September 4, 2024, in the above-captioned docket.

For Week 2 (2025), CN's Original Estimated Time of Arrival metric using the methodology for reporting in Docket No. EP 770 (Sub-No. 1) is 93.43%.

We would like to advise you that a recent system issue caused some concerns with our data on January 3rd and 4th, and we plan to submit corrected files for the time period when available.

Respectfully submitted,

/s/ Christopher K. Diamond
